### **The Telephone Ordinance**

THE ATTORNEY-GENERAL—I beg to move the first reading of a Bill intituled, An Ordinance for the establishment of an improved telephone service in the Colony. The financial aspects of this measure were dealt with fully by the Hon. The Colonial Secretary in his speech in this Council on the 21st of last month. This Bill follows in its provisions the terms of the resolutions which were approved by that meeting, and it also includes certain provisions for safe-guarding the public and also the undertakings of other companies. The various sections of this Bill are fully explained in the "Objects and Reasons" which are in the hands of hon. members, and, therefore, I think it is unnecessary for me to recapitulate them at this meeting. I shall be pleased at the next meeting of this Council to answer any question which may be put to me by hon. members in regard to any of the details of this Bill.
