-	
Notes: (a)	
(u)	"Remunerated directorships" include all directorships for which a fee, honorarium, allowance or other mater benefit is payable.
(b)	benefit is payable. The term "material benefit" refers to (i) interests received from a single source in the course of one year where total value of such interests exceeds 5% of the annual salary* of a Member of the Council (* excluding the gene expenses allowance which covers expenses incurred by a Member in his work); or (ii) one-off material benefit is payable.
(b)	"Remunerated directorships" include all directorships for which a fee, honorarium, allowance or other material benefit is payable. The term "material benefit" refers to (i) interests received from a single source in the course of one year where total value of such interests exceeds 5% of the annual salary* of a Member of the Council (* excluding the gene expenses allowance which covers expenses incurred by a Member in his work); or (ii) one-off material benefit exceeding \$10,000 in value. (This definition also applies to the term "material benefit" in categories 2, 4 and 6. Remunerated directorships of both local and overseas companies are registrable.
(b)	The term "material benefit" refers to (i) interests received from a single source in the course of one year where total value of such interests exceeds 5% of the annual salary* of a Member of the Council (* excluding the gene expenses allowance which covers expenses incurred by a Member in his work); or (ii) one-off material bene exceeding \$10,000 in value. (This definition also applies to the term "material benefit" in categories 2, 4 and 6.
(b)	benefit is payable. The term "material benefit" refers to (i) interests received from a single source in the course of one year where total value of such interests exceeds 5% of the annual salary* of a Member of the Council (* excluding the gene expenses allowance which covers expenses incurred by a Member in his work); or (ii) one-off material bene exceeding \$10,000 in value. (This definition also applies to the term "material benefit" in categories 2, 4 and 6. Remunerated directorships of both local and overseas companies are registrable. Remunerated directorships through corporate directors are also registrable. However, particulars of remunerated directorships through corporate directors need only be updated on an annual basis, at the beginning of each of the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of such as a single source in the course of one year where total value of the course of one year where total value of the course of one year where total value of the course of one year where total value of the course of one year where total value of the course of the c
(b) (c) (d)	benefit is payable. The term "material benefit" refers to (i) interests received from a single source in the course of one year where total value of such interests exceeds 5% of the annual salary* of a Member of the Council (* excluding the gene expenses allowance which covers expenses incurred by a Member in his work); or (ii) one-off material bene exceeding \$10,000 in value. (This definition also applies to the term "material benefit" in categories 2, 4 and 6. Remunerated directorships of both local and overseas companies are registrable. Remunerated directorships through corporate directors are also registrable. However, particulars of remunerated directorships through corporate directors need only be updated on an annual basis, at the beginning of exlegislative session. Where you are a remunerated director of a company, all subsidiary or associated directorships which you he within the same group, whether remunerated or not, should also be registered.
(b) (c) (d) (e)	benefit is payable. The term "material benefit" refers to (i) interests received from a single source in the course of one year where total value of such interests exceeds 5% of the annual salary* of a Member of the Council (* excluding the gene expenses allowance which covers expenses incurred by a Member in his work); or (ii) one-off material bene exceeding \$10,000 in value. (This definition also applies to the term "material benefit" in categories 2, 4 and 6. Remunerated directorships of both local and overseas companies are registrable.
