- Notes:
- 1. The requirement is to register the general nature of the land or property owned by a Member. Details such as addresses are not required.
- 2. The only or principal residence in Hong Kong which a Member owns and ordinarily lives in need not be registered unless he also derives income from it.
- 3. Land or property are registrable where a Member has a right over its disposition or has any pecuniary interest deriving from it. Registrable interest includes land or property owned by the Member in his own name, or held indirectly such as through a company or through another person. In the case of holding through a company, the interest is registrable where the Member has control of the company or has more than 50% shareholding in it. In the case of holding through another person, the interest is registrable where the Member may dispose of the land or property through that person or derive any pecuniary interest from that land or property. Land or property held by a Member as trustee and in which the Member has no autonomous right of disposition (e.g. a nominee, trustee or custodian) need not be registered.
