

Judiciary Fees and Charges

The Registrar of a court has powers to reduce, remit or defer payment of many court fees and charges as he may think fit in any particular case.

For fees and charges payable in magistrates' courts, there is no provision for reduction or exemption. Many of them are not directly related to judicial proceedings. Nevertheless, the Judiciary is not aware of any hardship case, but will monitor the situation closely to see if there is any need to introduce a mechanism to reduce or remit fees and charges payable.

司法機構費用及收費

“法院的司法常務官有權在他認為合適的個案中，削減、免除或准許當事人延遲繳付多類法庭費用和收費。

應付予裁判法院的費用和收費，沒有削減或免除的條文。這些費用和收費很多都不是直接和司法程序有關。不過，據司法機構所知，目前還沒有困苦的個案。儘管如此，我們仍會密切監察有關情況，以決定是否需要引入減免費用及收費的機制。”
