Bills Committee on Noise Control (Amendment) Bill 2001

Attn : Clerk to Bills Committee (Miss Polly Yeung) (fax: 2121 0420)

Dear Committee

Noise Control (Amendment) Bill 2001

Please be informed that we will not be able to attend the meeting but would like to submit our views as follows.

We support the amendments to Noise Control Ordinance (Cap.400), that certain directors and officers of the body corporate shall be liable of the like offence where the offence is being repeated on the same site by the body corporate (with a reasonable grace period to allow for remedial works). We trust that it is in line with the other ordinance on environmental protection and pollution control, for the protection and well-beings of the general public, and a good standard and quality of living.

Thank you for your kind attention.

Yours sincerely

Dr. W K YAU  
Chairman
