

LEGISLATIVE COUNCIL BRIEF

DRUG DEPENDENT PERSONS TREATMENT AND REHABILITATION CENTRES (LICENSING) BILL

INTRODUCTION

At the meeting of the Executive Council on 10 October 2000, the Council **ADVISED** and the Chief Executive **ORDERED** that the Drug Dependent Persons Treatment and Rehabilitation Centres (Licensing) Bill (the Bill), at Annex A, should be introduced into the Legislative Council to provide for the licensing of voluntary residential drug treatment and rehabilitation centres in order to protect the well-being of persons undergoing treatment in these centres.

BACKGROUND AND ARGUMENT

General Background

2. The Bill was approved by the Executive Council on 1 February 2000 and was introduced into the Legislative Council on 23 February 2000. Owing to the unavailability of Bills Committee time slot, the Bill lapsed in the last legislative session and therefore needs to be reintroduced. The basic principles and major proposals of the Bill at Annex A are the same as the previous ones. There are only a few minor refinements to the Bill mainly in the light of some late comments received from non-government agencies. These refinements include limiting the criminal sanction for contravention of conditions of licence or certificate of exemption to the specified operator and any person exercising control over the management of a treatment centre (**clause 5**); a slight relaxation of the eligibility of an applicant to a licence who was a drug addict under **clause 7**; addition of an offence for providing misleading information under **clause 10**; deletion of daily fines under **clauses 10 and 16**; addition of a limitation clause under **clause 22** and offer of greater protection to information seized from a centre under **clause 23**.

3. Government adopts a multi-modality approach to drug treatment and rehabilitation services in order to cater for the different needs of drug dependent persons. In 1997, an inter-departmental working group was established to review the existing treatment and rehabilitation policy and the Drug Addicts Treatment and Rehabilitation Ordinance (Cap. 326) (the Ordinance) (at Annex B) which provides statutory underpinning for that policy. The key findings were as follows:

(a) Obsolescence of the Drug Addicts Treatment and Rehabilitation Ordinance

Enacted in 1960, the Ordinance provides for the declaration of Addiction Treatment Centres and aims to facilitate the detention of drug dependent persons in Addiction Treatment Centres for treatment. The provisions of the Ordinance were based on the drug treatment and rehabilitation philosophy at the time, which placed various restrictions on persons receiving treatment, including their personal freedom. The Schedule to the Declaration of Addiction Treatment Centre (Consolidation) Order provides that two treatment centres operated by the Society for the Aid and Rehabilitation of Drug Abusers are declared Addiction Treatment Centres to which the provisions of the Ordinance apply. At present, these two centres no longer operate on a 'detention' basis. Instead, they provide voluntary residential drug treatment and rehabilitation services which are essentially the same as those provided by other drug treatment and rehabilitation agencies not covered by the Ordinance.

(b) Lack of uniform control for centres providing voluntary residential treatment and rehabilitation services

As all other existing voluntary drug treatment and rehabilitation centres are not covered by the Ordinance, there is in fact no uniform control mechanism governing their operation. The service standard and environment of these centres vary. At present, there are about 12 such agencies, with facilities spread out in around 30 different locations. Most of these facilities are accommodated in stone or wooden structures in remote areas with minimum building or fire safety installations. Some do not have proper

electricity and water supplies. They are therefore highly susceptible to structural, fire and environmental health hazards.

4. In view of this, Government considers that the Ordinance should be repealed and a new ordinance enacted to provide for a licensing scheme for voluntary residential drug treatment and rehabilitation centres in order to protect the well-being of persons undergoing treatment in these centres.

The Proposal

5. Government consulted the public in 1998 on a proposed licensing scheme to regulate such centres. The objectives of the licensing scheme are to -

- (a) ensure that drug dependent persons undergoing treatment and rehabilitation will receive services in a properly managed and physically secured environment, thereby protecting the well-being of these persons;
- (b) enable Government to keep a register of all voluntary residential drug dependent persons treatment and rehabilitation centres; and
- (c) bring such centres under uniform control.

6. The licensing scheme will require a person/organization to apply to the Director of Social Welfare (the Director) for a licence to operate any drug treatment and rehabilitation centre which provides voluntary residential care for four or more persons. Subject to the applicant being able to satisfy the stipulated fit person criterion, fire services and building safety requirements, and other service conditions as stipulated by the Director, a licence will be granted and the applicant will be required to display the licence in a conspicuous place at his centre. The licence so granted will have to be renewed on an annual basis if the centre wishes to continue to operate beyond the licence period. The Director has the power to refuse to license a centre if it does not meet the stipulated requirements. He also has the power to inspect licensed centres and to cancel a licence where any of the licensing requirements is contravened. Any person aggrieved by any decision made by the Director in respect of the issue or renewal of, and the cancellation of a licence or certificate of exemption may appeal to the Administrative

Appeals Board.

7. The licensing scheme is intended to cover all voluntary residential drug treatment and rehabilitation centres, irrespective of whether they adopt medical or non-medical approach. It is also intended to cover “half-way houses” offering voluntary residential and support services for rehabilitated drug dependent persons prior to their full integration into the community. It is noted that in accordance with the Hospitals, Nursing Homes and Maternity Homes Ordinance (Cap 165), centres which fall within the definition of “hospital” in section 2 of this Ordinance are also required to apply for registration thereunder.

8. With regard to implementation, there will be a grace period for existing centres to prepare themselves for licensing whilst continuing with their operation, and new centres will have to comply with the requirements from the first day of operation. Existing operators may apply to the Director for a certificate of exemption within three months of the commencement of the legislation. They may be granted certificates which will provisionally exempt them from licensing until such certificates are cancelled or not renewed. Such exemption certificates may be renewable on application to the Director.

THE BILL

9. **Clause 2** sets out the definitions necessary for the interpretation of the Bill. **Clause 3** provides that the Bill does not apply to treatment centres managed and controlled by the Hospital Authority, and provides that the licensing requirement is additional to any requirement to register under the Hospitals, Nursing Homes and Maternity Homes Registration Ordinance.

10. **Clause 4** provides that no person shall operate or exercise control over the management of a treatment centre unless he is specified as its operator in a licence or certificate of exemption issued in respect of the treatment centre. **Clause 5** deals with contravention of the conditions of a licence and certificate of exemption.

11. **Clause 6** deals with the application for and issuance of licences. It also sets out certain circumstances where the Director may refuse to issue a licence. **Clause 7** states the circumstances in which the Director shall, in relation to his determination of an application for a licence, consider a person as not being a fit person.

12. **Clauses 8 to 10** deal with the application for and issue of a certificate of exemption, renewal of a licence and certificate of exemption and supply of false or misleading information by an applicant. **Clause 12** requires the specified operator to display in a conspicuous place in the centre the subsisting licence or certificate of exemption.

13. **Clauses 14 and 15** deal with the cancellation of licence or certificate of exemption and issue of notices of the Director's intention to refuse to issue or renew, or his intention to cancel, a licence or a certificate of exemption.

14. **Clause 16** empowers the Director to give directions to the specified operator of a treatment centre to secure the satisfactory operation and management of the treatment centre. **Clause 18** confers on the Director and authorized public officers certain powers for the purposes of the Bill, including the power to enter and inspect, with or without a warrant.

15. **Clause 22** imposes a time limit for the bringing of a prosecution for offences. **Clause 23** provides that any statement or admission made by a person seeking for admission to a treatment centre or in the course of his undergoing treatment or rehabilitation at the centre shall be inadmissible as evidence in any proceedings against him under the Dangerous Drugs Ordinance (Cap 134). Any information seized from the centre is also inadmissible in such proceedings against a person who is undergoing or has undergone treatment or rehabilitation in a treatment centre.

16. **Clause 24** provides for appeals to the Administrative Appeals Board in relation to determinations and decisions of the Director to cancel or to refuse to issue or renew a licence or certificate of exemption. **Clause 25** empowers the Director to issue Codes of Practice setting out principles for the operation or management of treatment centres.

17. **Clause 27** provides that no fee is payable in respect of an application for, or for the issue or renewal of, a licence or certificate of exemption. **Clauses 28 and 29** empower the Chief Executive in Council and the Secretary for Security to make regulations and amend the Schedule respectively.

18. **Clause 30** contains transitional provisions. A person who

is operating a treatment centre immediately before the commencement of Clause 4 is deemed to have been issued a certificate of exemption in respect of the treatment centre for the period specified in Clause 30(2). **Clause 31** repeals the Drug Addicts Treatment and Rehabilitation Ordinance and all subsidiary legislation made under it.

LEGISLATIVE TIMETABLE

19. The legislative timetable approved by the Chief Executive in Council is :-

Publication in the Gazette	20 October 2000
First Reading and commencement of Second Reading debate	1 November 2000
Resumption of Second Reading debate, committee stage and Third Reading	to be notified

COMMENCEMENT

20. The Bill when passed into law shall take effect on a date to be appointed by the Secretary for Security.

BASIC LAW IMPLICATIONS

21. The Department of Justice advises that the Bill does not conflict with those provisions of the Basic Law carrying no human rights implications.

HUMAN RIGHTS IMPLICATIONS

22. The Department of Justice advises that the Bill is consistent with the human rights provisions of the Basic Law.

BINDING EFFECT OF THE LEGISLATION

23. The binding effect of the Bill is the same as that of the Ordinance it replaces.

FINANCIAL AND STAFFING IMPLICATIONS

24. A licensing office, comprising one Social Work Officer, one Assistant Social Work Officer and one Assistant Clerical Officer, will be set up in the Social Welfare Department to prepare and update Codes of Practice to be issued under the new legislation, to process applications for issue and renewal of licences and certificates of exemption to operate drug dependent persons treatment and rehabilitation centres, to keep a central registry of such centres and to inspect such centres. The recurrent cost of around HK\$1.3 million per annum for operating the office will be met by redeployment of resources from within the existing global allocation of the Social Welfare Department.

25. There will be additional workload for the Fire Services Department and Buildings Department in the inspection of drug treatment centres and for the Buildings Department in checking plans of the centres including any upgrading proposal for compliance with the building safety requirements. Such additional workload is expected to spread over a long period of time and will be absorbed within the existing resources of the two departments.

26. It is estimated that the creation of a statutory right of appeal against the Director's decision in respect of licensing to be lodged with the Administrative Appeals Board will cause a very small increase in appeal cases to be handled by the Administrative Appeals Board Secretariat each year. The proposal is unlikely to give rise to significant financial or staffing implications for the Secretariat, which can be absorbed within its existing resources.

27. To comply with the requirements of the new legislation, some existing treatment centres will need to upgrade their premises. In this regard, several major charitable funds have been approached and have indicated that they would assist with the necessary funding.

ENVIRONMENTAL IMPLICATIONS

28. The Bill is unlikely to cause any environmental implications.

ECONOMIC IMPLICATIONS

29. The Bill will have no economic implications.

PUBLIC CONSULTATION

30. We had consulted the public for six months in 1998 on the proposed licensing scheme and met with the affected agencies, Provisional District Boards, the previous Legislative Council Panel on Security and the Action Committee Against Narcotics (ACAN). The scheme was supported by all these bodies. We have also consulted the agencies and the ACAN again on the Bill and incorporated their views in the Bill.

PUBLICITY

31. A press release will be issued on 18 October 2000. A spokesman will be available for answering media enquiries.

PART II

LICENCES AND CERTIFICATES OF EXEMPTION

4. Restriction on operating treatment centres

(1) No person shall operate or exercise control over the management of a treatment centre unless he is the specified operator of the treatment centre.

(2) No person shall take part in the management of a treatment centre unless -

(a) a licence; or

(b) a certificate of exemption,

- (b) he could not, by the exercise of reasonable supervision and reasonable diligence, have prevented those circumstances arising.

(3) In any proceedings against a specified operator for an offence under subsection (1), it shall not be necessary for the prosecution to prove that the specified operator had knowledge of the condition of the licence or certificate of exemption the contravention of which constituted the offence.

(4) A person who commits an offence under this section is liable to a fine at level 6 and to imprisonment for 6

months and to a fine of \$5,000 for each day during which the offence continues.

6. Application for and issue of licence

(1) An application by a person for a licence in respect of a treatment centre shall be made to the Director in such form and manner as the Director may specify.

(2) The Director shall determine an application for a licence -

(a) by issuing to the applicant the licence, subject to such reasonable conditions as the Director may impose; or

(b) by refusing to issue the licence.

(3) If the Director intends to refuse to issue the licence, he shall comply with section 15.

 - (i) the name of any treatment centre in

respect of which a licence or certificate of exemption is for the time being in force; or

- (a) particulars relating to the applicant; and
- (b) the proposed name, address, plans and details as to how the treatment centre is to be operated.

(7) The information required under subsection (6) -

- (a) shall be furnished in such form and within such period as the Director may specify; and

7. Person not to be considered as fit person

- (a) he is or was (except where subsection (2) applies) a drug dependent person;

 - (c) he has been convicted elsewhere, within that period, of any offence constituted by an act or omission that, if it had occurred in Hong Kong, would have constituted an offence specified in Schedule 1 of the Organized and Serious Crimes Ordinance (Cap. 455), and sentenced to imprisonment on the conviction.

(2) Where a person was a drug dependent person, the Director may consider him a fit person if such person satisfies the Director that he has not been a drug dependent person continuously in the 7 years immediately prior to the day on which the Director considers the matter.

(5) The Director may require an applicant to furnish him with such information as he considers relevant for determining whether or not to issue the certificate of exemption including -

Director may specify.

9. Renewal of licence or certificate of exemption

(1) The specified operator of a treatment centre may, before the expiration of the licence or certificate of exemption in respect of the treatment centre, apply for renewal of the licence or certificate of exemption.

(2) An application under subsection (1) must be made to the Director -

(a) not more than 4 months and not less than 2 months prior to the expiration of the licence or certificate of exemption, or within such other period prior to the expiration as the Director may in writing permit; and

(b) in such form and manner as the Director may specify.

(3) The Director shall determine an application under subsection (1) -

(a) by granting the renewal, subject to any reasonable variation of the conditions of the licence or certificate of exemption (as the case may be), as the Director may think fit; or

(b) by refusing to grant the renewal.

(4) If the Director intends to refuse to grant the renewal, he shall comply with section 15.

(5) A licence or certificate of exemption in respect of

which an application for renewal is made under this section and which expires before the determination of the application shall remain in effect until the determination by the Director of such application, unless such application is withdrawn or the licence or certificate is cancelled under section 14.

(6) A renewal granted under this section takes effect -

- (a) on the day following the expiration of the licence or certificate of exemption; or
- (b) where subsection (5) applies, on the day following the day upon which the licence or certificate of exemption would have expired but for subsection (5).

(7) A renewal granted under this section takes effect for a period of 12 months or such lesser period as may be specified.

10. False statement etc. furnished while making applications

A person who, in or in connection with an application made under this Ordinance, makes any statement (whether such statement be oral or written), or furnishes any information -

 - (a) be in such form as the Director may specify;
 - (b) be endorsed with the conditions of the licence imposed under section 6(2)(a) or the conditions as varied under section 9(3)(a);

14. Cancellation of licence or certificate of exemption

The Director may at any time by notice in writing served on the specified operator of a treatment centre cancel the licence or certificate of exemption (as the case may be) in respect of the centre -

- (a) on the ground that the specified operator or any other person has committed an offence under section 4, 5, 10, 16, 17 or 19 in respect of the treatment centre;
- (b) on the ground that, in respect of the treatment centre or the drug dependent persons residing in the treatment centre, any requirement, order or direction made or given under this Ordinance has not been complied with;

- (d) if it appears to him that -
 - (i) the treatment centre has ceased to be operated as such or to exist;
 - (ii) the specified operator has ceased to operate the treatment centre; or
 - (iii) on any occasion the treatment centre has been operated in a manner contrary to the public interest;
- (e) in the case of a licence only, on any ground specified in section 6(4)(a), (b), (c) or (d)

which would entitle him to refuse an application for the licensing of the treatment centre,

but before serving the notice of cancellation, he shall comply with section 15.

15. Notice of refusal or cancellation

(1) The Director shall, before -

- (a) refusing an application for a licence or certificate of exemption or an application for its renewal; or
- (b) serving a notice under section 14,

give to the applicant or the specified operator of the treatment centre, as the case may be, notice of his intention to do so, which shall -

- (i) state the grounds on which he intends to refuse the application or serve a notice under section 14 (as the case may be); and
- (ii) contain a statement that such applicant or such specified operator may make written representations to him within 21 days after the day on which the Director's notice is given.

(2) The Director may, after 21 days from the day on which the notice under subsection (1) is given and after considering the written representations (if any) received from the applicant or specified operator, serve on the applicant or

specified operator -

- (a) a notice in writing of the Director's refusal of the application; or
- (b) the notice under section 14,

as the case may be, but a notice under paragraph (a) or (b) shall not have effect earlier than 21 days from the day on which such notice is given.

PART III

SUPERVISION OF TREATMENT CENTRES

16. Power of Director to give directions

(1) The Director may, in respect of a treatment centre, by notice in writing, give such directions as appear to him to be required to ensure that -

- (a) the treatment centre is operated and managed satisfactorily;
- (b) the well being of the drug dependent persons residing in the treatment centre is safeguarded in a proper manner;
- (c) adequate apparatus and equipment required as safeguards against fire or other hazard likely to endanger the lives or health of the residents are provided in the treatment centre; and
- (d) the provisions of this Ordinance are complied

with.

(2) A notice under subsection (1) -

(a) shall be served on the specified operator of the treatment centre; and

(b) shall indicate a period within which the directions shall be complied with.

(3) A person who fails to comply with the requirements of a direction given under this section within the period indicated in the notice served on him under subsection (2) commits an offence, and is liable to a fine at level 6 and to imprisonment for 6 months.

17. Director may order cessation of use of any place as a treatment centre

(1) The Director may -

(a) if it appears to him that there is any danger or risk of danger to persons in residence in a treatment centre; or

(b) the requirements of a direction given under section 16(1) have not been complied with within the period indicated in the notice served under that section,

by order in writing require that the place or any part of such place used as the treatment centre shall cease to be so used for such period as he thinks fit or until further notice.

Explanatory Memorandum

The purpose of this Bill is to establish a scheme for the regulatory control of treatment centres providing residential accommodation for the treatment and rehabilitation of drug dependent persons who undergo such treatment and rehabilitation voluntarily.

2. Clause 2 sets out the definitions necessary for the interpretation of the Bill. The definitions of "drug dependent person" and "treatment centre" are of particular importance in

construing the scope of application of the Bill.

3. Clause 3(1) provides that the Bill does not apply to treatment centres managed and controlled by the Hospital Authority. Clause 3(2) provides that the requirement for a licence or certificate of exemption under the Bill is additional to any requirement to register under the Hospitals, Nursing Homes and Maternity Homes Registration Ordinance (Cap. 165).

4. (a) Clause 4(1) provides that no person shall operate or exercise control over the management of a treatment centre unless he is specified as its operator in a licence or certificate of exemption issued in respect of the treatment centre.

(b) Clause 4(2) prohibits any person from taking part in the management of a treatment centre unless a licence or certificate of exemption has been issued in respect of the treatment centre and is for the time being in force.

5. Clause 5 deals with the offences in relation to licence and certificate of exemption. If a treatment centre is operated in contravention of the conditions of its licence or certificate of exemption, the specified operator and any other person exercising control over its management each commits an offence. Clause 5(2) provides a defence for the offence. Clause 5(3) provides that in any proceedings against a specified operator, the prosecutor need not prove the

operator's knowledge of the condition that is contravened (while he would have to do so in relation to other persons charged with the offence).

6. Clause 6 deals with the application for and issuance of licences. It also sets out certain circumstances where the Director of Social Welfare ("Director") may refuse to issue a licence.

7. Clause 7 states the circumstances in which the Director shall, in relation to his determination of an application for a licence, consider a person as not being a fit person.

8. Clause 8 deals with the application for and issuance of certificates of exemption.

9. Clause 9 deals with renewal of licences and certificates of exemption. The Director may vary the conditions of a licence or a certificate of exemption upon its renewal.

10. Clause 10 provides that the supply of false or misleading information etc. in or in connection with an application made under the Bill is an offence.

11. Clause 11 deals with the forms of the licence and the certificate of exemption. The licence or certificate must specify the period for which it remains in force, being a period not exceeding 12 months, and must be endorsed with any conditions for its issue.

12. Clause 12 provides that the specified operator of a treatment centre shall display or cause to be displayed in a conspicuous place in the centre the subsisting licence or

certificate of exemption.

13. Clause 13 provides for aids in proof.

14. Clause 14 deals with the cancellation of licence or certificate of exemption.

15. Clause 15 deals with notices of refusal or cancellation. Before the Director refuses an application for the issuance or renewal of a licence or certificate of exemption, or cancels a licence or certificate of exemption, he must give written notice of his intention to do so and allow 21 days thereafter for written representations to be made to him. Any refusal or cancellation is not to take effect earlier than 21 days from the date the notice is given.

16. Clause 16 empowers the Director to give directions in writing to the specified operator of a treatment centre to ensure the satisfactory operation and management of the treatment centre. Such directions are to be complied with within the period indicated in the notice. Failure to do so is an offence.

17. Clause 17 empowers the Director to order the use of any place as a treatment centre to cease when it appears to him that there is danger or risk of danger to the persons in residence in a treatment centre or that the directions given under clause 16 have not been complied with. Failure to comply with the requirements of such an order is an offence.

18. Clause 18 confers on the Director and authorized public officers certain powers for the purposes of the Bill,

including the power to enter and inspect, with or (in certain cases) without, a warrant.

19. Clause 19 provides for offences in relation to clause 18.

20. Clause 20 provides that the Director may authorize any public officer to perform or exercise any function or duty imposed on the Director under the Bill.

21. Clause 21 deals with offences committed by a corporation or by partners of a partnership.

22. Clause 22 imposes a time limit for the bringing of a prosecution for offences.

23. Clause 23 provides that any statement or admission made by a person seeking for admission to a treatment centre or in the course of his undergoing treatment or rehabilitation at the centre shall be inadmissible as evidence in any proceedings against him under the Dangerous Drugs Ordinance (Cap. 134). Any information obtained in consequence of the exercise of the power under clause 18 to require production of or to remove any book, document or other article is also inadmissible in such proceedings against a person who is undergoing or has undergone treatment or rehabilitation in a treatment centre.

24. Clause 24 provides for appeals to the Administrative Appeals Board in relation to determinations and decisions of the Director made under clauses 6(2)(b), 8(3)(b), 9(3)(b) and 14.

Practice setting out principles for the operation or management of treatment centres.

31. Clause 31 repeals the Drug Addicts Treatment and Rehabilitation Ordinance (Cap. 326) and all subsidiary legislation made under it.

32. Clause 32 is a consequential amendment.
