II. Meeting with the Administration

(The Bill and LC Paper Nos. CB(2)1738/01-02(01) and CB(2)1746/01-02(01))

2. The Committee deliberated (index of proceedings attached at **Annex A**).
3. The Administration would move the following additional Committee Stage amendments -
 - (a) to amend clause 15 such that the District Court would be empowered to order a partial closure of a Karaoke Establishment (KE) if circumstances warranted; and

4. The Administration was requested to respond in writing to the following issues to facilitate the work of the Committee -
 - (a) On clause 15, to consider
 - (i) amending the clause to expressly provide that the closure order made under the clause would not operate to prevent human habitation on the premises concerned (reference should be made to a similar provision in the Public Health and Municipal Services Ordinance);
 - (ii) whether an express provision should be added to the Bill to stipulate that the District Court, in considering to order closure of a KE, would take into account the presence of any common areas/structures (such as staircase) in the KE concerned for shared use by tenants of the same building and whether other people's interests would be affected by the closure;
 - (iii) whether an express provision should be added to the Bill to the effect that the District Court would be empowered to award a licensee compensations for any loss or damage caused to him by the licensing authority's delay in discharging a closure order that had been served on his KE;
 - (iv) shortening the currently proposed 28-day period within which the licensing authority would have to discharge a

closure order after the requirements of a direction given under clause 14 had been complied with and a request for the discharge had been made to the licensing authority; and

- (v) to provide legal advice as to whether the Government was liable for the loss and damage caused to persons due to negligence on the part of the Government in the exercise of statutory duty if the relevant Ordinances did not include any provisions on indemnity.
- (b) On clause 16,
- (i) to stipulate in the guidelines to be promulgated by the licensing authority that it would take no more than two weeks for the licensing authority to complete endorsement of a change of name on the permit or licence and to spell out the time required for the endorsement in general;
 - (ii) to explain the matters that the licensing authority would consider in endorsing or rejecting an application for a change of name on the permit or licence; and
 - (iii) to provide examples of other licensing regimes under which the licensing authorities conducted content vetting of the name of a shop/institute/organisation applying for a licence.
- (c) On members' concern that articles seized under clause 13(1)(iii) might be subject to forfeiture under clause 19, to provide the respective internal instructions issued by the Food and Environmental Hygiene Department and Hong Kong Police Force for reference of enforcement officers in exercising the power to seize articles under various Ordinances.

III. Date of next meeting
