I. Meeting with the Administration
(LC Paper Nos. CB(2)2226/01-02(01) to (03))

The Committee deliberated (index of proceedings attached at **Annex A**).

2. The Administration took members through the additional Committee Stage amendments (CSAs) to be moved by the Secretary for Security as detailed in LC Paper No. CB(2) 2226/01-02(02).

3. The Administration agreed to state, when the Second Reading debate on the Bill was resumed, that

- It would be made a licensing condition for a body corporate or a partnership, as the case might be, to inform the licensing authority of any change of the authorized person within 14 working days from the date of change.
- Before a determination was made on the acceptance (or otherwise) of the new authorized person, the grantee/licensee might carry on the karaoke business without an authorized person and not be regarded as operating in contravention of the Bill.

4. The Administration was requested to respond in writing to the following issues to facilitate the work of the Committee -

- (a) to amend the new clause 7(4) proposed in the draft CSAs to the effect that the "substitute person" was also required to meet the requirements under clause 5(3)(a)(iii); and
- (b) to consider Mr Tommy CHEUNG's suggestion of amending the proposed clause 10(ia) to the effect that where a licence or permit was issued or granted to a body corporate or partnership in respect of a karaoke establishment (KE), the conviction of the authorized representative of the body corporate or partnership of an offence under this Ordinance or regulation made under clause 20 would not affect the KE in question unless the said offence had been committed by the authorized representative in respect of this KE.

On item (b), the Chairman said that he would accept the Administration stating this policy intent when the Second Reading debate on the Bill was resumed rather than stipulating it in the Bill.

5. The Committee agreed to move a CSA to amend clause 12 to the effect that a decision made under section 5, 6, 8, 9 or 10 would be suspended when it was appealed against, unless the licensing authority was of the opinion that suspending the operation of the decision would be contrary to the interests of fire safety, building safety or public safety. The draft CSA would be prepared by the Assistant Legal Adviser and circulated to members for consideration. The Committee agreed that they would have no objection should the

Administration decide to move the CSA.

6. The Chairman said that the Administration intended to resume the Second Reading debate on the Bill on 3 July 2002. Members agreed that the Bills Committee would make a report on the Bill to the House Committee on 21 June 2002. The Chairman said that the deadlines for giving notice of resumption of the Second Reading debate and notice of CSAs were 17 June and 22 June 2002 respectively.

7. There being no other business, the meeting ended at 6:05 pm.
