Action

**I. Confirmation of minutes of meeting held on 6 December 2001**  
(LC Paper No. CB(2)768/01-02)

The minutes of the above meeting were confirmed.

**II. Meeting with Deputations and the Administration**  
(LC Paper Nos. CB(2)797/01-02(02) to (13))

2. The Bills Committee received views from 15 deputations on the Bill. The deputations were generally in support of the introduction of a licensing scheme for inbound travel agents as soon as possible in order to protect and upgrade the image of the travel industry in Hong Kong. They shared the view that the certification scheme for inbound tour guides could be put in place after the implementation of the licensing scheme as it was expected that it would take two years to complete the training of about 8 000 tour guides. In addition, they generally agreed that the Travel Industry Council of Hong Kong (TIC) should be responsible for the self-regulation of both inbound and outbound travel agents having regard to its expertise and past performance in regulating outbound travel agents. Other major views expressed were as follows -

- (a) the transparency of the operation of the self-regulatory scheme by TIC should be increased and the public accountability of TIC should be enhanced to boost public confidence in TIC;
- (b) the number of non-industry members on the TIC Board should be increased with a view to safeguarding public interest and protecting industry members of the Board who might be facing pressure to put the

interest of the industry ahead of public interest;

- (c) guidelines to be followed by the Board of Directors and senior management of TIC in conducting TIC business should be introduced to avoid conflict of interest;
- (d) a clear definition of "inbound travel agent" should be introduced to remove the ambiguity as to whether tour-related services provided by non-travel agents, e.g. conference or exhibition organisers, would be covered under the Bill; and
- (e) the Government should provide resources to TIC for the regulation of inbound travel agents.

3. The Bills Committee discussed the issues raised with the deputations and the Administration provided a preliminary response (index of proceedings at **Annex**).

4. The Administration undertook to provide a written response to the views expressed by the deputations and those set out in other submissions received by the Bills Committee. As requested by the Chairman, it would also provide a copy of the Memorandum and Articles of Association of the eight Association Members of TIC for members' reference.

5. The Bills Committee agreed to hold the next meeting on 17 January 2002 at 4:30 pm to continue discussion with the Administration.

6. There being no other business, the meeting ended at 6:30 pm.
