(Attn.: Miss Polly Yeung)

Dear Miss Yeung,

### **Supplementary information on 252EP - Primary school at Wang Chiu Road, Kowloon Bay**

When Members considered PWSC(2000-01)53 on **237ES**, **252EP** and **276EP** (one secondary and two primary school projects in Kowloon Bay) at the Public Works Subcommittee meeting on 8 November 2000, the Administration undertook to-

- (a) discuss with the school sponsoring body (SSB) of the primary school under **252EP** the provision of a separate green corner for the school; and
- (b) if the SSB preferred to have a separate green corner, provide for Members' reference the final layout plan of the three proposed schools.

We have already consulted the SSB which was allocated the school premises under **252EP**. It has indicated that it would like to have a separate green corner for the school. As suggested by the Director of Architectural Services (D Arch S) and with the SSB's agreement, this additional green corner will be located at the north-western corner of the school site. The revised

layout plan of the three schools, showing the proposed location of the green corner for **252EP**, is at Annex. D Arch S has confirmed that the cost for the green corner will be absorbed within the approved project estimate.

Yours faithfully,

(Mrs Vicki KWOK)  
for Secretary for Education and Manpower
