Dear Sir/Nadam,

Regarding the proposal to bring the new level of fixed penalty for smoky vehicles into operation on 1 December 2000 (The fixed penalty will be increased from \$450 to \$1000), Green Power urges the SAR Government ~~not to defer~~ the operation date in view that the proposal has been postponed for a period. In order to combat the deteriorating air quality of Hong Kong, a combination of measures including stricter legal control on the emission of air pollutants is needed.

Yours faithfully,

MAN Chi Sum
Chief Executive Officer
