Dear Mrs. Lam,

**Legislative Council Panel on Financial Affairs**  
**Proper Use of Fiscal Reserves**

Thank you for inviting the Chairman of the Society's Taxation Committee, Mr. Tim Lui, to attend the discussion on the proper use of the fiscal reserves to be held at the meeting of Panel on Financial Affairs on 3 July 2001.

We note that the issue of the level of the fiscal reserves has become an increasingly frequent topic of discussion in recent years and we note also that when announcing the benchmarks for the appropriate level of reserves in the 1998-99 Budget Speech, the Financial Secretary undertook that the Administration would review the guidelines once experience in following them had been built up.

We believe therefore that a review of the benchmarks, the way in which they have been operating and their suitability or otherwise as a yardstick for determining the right level for the reserves in the future, would be a useful exercise. The Society is not however in a position to express any more specific views on the subject, other than to suggest that the Administration, which devised the guidelines and which has the most up-to-date fiscal and monetary information at its disposal, would be best placed to take up any review.

Under the circumstances, the Society has decided respectfully to decline the invitation to attend.

Yours sincerely,

PETER TISMAN  
DEPUTY DIRECTOR
