Dear Miss Yu,

**LegCo Panel on Housing  
Meeting on 2 April 2001**

**Responsibilities for construction  
and maintenance of MTR station entrances**

At the meeting of the Legislative Council Panel on Housing on 2 April 2001, a Member requested information on the responsibilities for constructing and maintaining MTR station entrances adjoining a residential development.

As a general principle, MTR Corporation Ltd (MTRC) is responsible for the construction and maintenance costs of **all** MTR stations and related facilities such as entrances within its boundary. This applies to all residential developments adjoining MTR stations and those undertaken by MTRC such as Heng Fa Chuen.

Please let me know if you require further information.

Yours faithfully,

( Miss Joey LAM )  
for Secretary for Housing
