

**Statistics on Disciplinary Cases  
Handled by the Medical Council**

**Complaints Received by the Medical Council**

| <u>Nature</u>   | <u>1996</u> | <u>1997</u> | <u>1998</u> | <u>1999</u> | <u>2000</u> |
|---|-------------|-------------|-------------|-------------|-------------|
| 1. Conviction in Court  |             |             |             |             |             |
| (a) fail to keep proper record of dangerous drugs                               | -           | 4           | 2           | 1           | -           |
| (b) Others  | 1           | 5           | 7           | 6           | 5           |
| 2. Disregard professional responsibility to patient                             | 101         | 105         | 133         | 120         | 114         |
| 3. Drug-related Cases (excluding court convictions)                             |             |             |             |             |             |
| (a) Failure to properly label drugs dispensed                                   | 3           | 7           | 1           | 3           | 8           |
| (b) Failure to keep proper record of dangerous drugs                            | -           | 1           | -           | 1           | -           |
| (c) Prescription of drugs of dependence other than bona-fide treatment          | 1           | 1           | 4           | -           | 4           |
| (d) Abuse of Drugs  | -           | -           | -           | -           | -           |
| (e) Others  | -           | -           | 1           | -           | -           |
| 4. Termination of Pregnancy   | 1           | -           | -           | 1           | -           |
| 5. Abuse of professional position to further improper association with patients | -           | -           | -           | -           | -           |
| 6. Improper, indecent behaviour to patient                                      | 4           | 2           | 12          | 2           | 3           |
| 7. Abuse of professional confidence   | 2           | 1           | 1           | -           | -           |
| 8. Advertising/canvassing   | 20          | 29          | 33          | 35          | 25          |
| 9. Sharing fee & improper financial transaction                                 | -           | -           | -           | 1           | -           |
| 10. Depreciation of other medical practitioner(s)                               | 1           | 1           | 2           | 2           | -           |
| 11. Misleading, unapproved description & announcement                           | 4           | 5           | 8           | 9           | 4           |
| 12. Issuing misleading, false medical certificate                               | 13          | 8           | 18          | 26          | 14          |
| 13. Improper delegation of medical duties to unregistered persons               | 2           | 3           | 2           | 1           | 1           |
| 14. Fitness to practice   | -           | -           | 2           | -           | 1           |
| 15. Miscellaneous   | 15          | 18          | 19          | 22          | 48          |
| Total :   | 168         | 190         | 245         | 230         | 227         |

**Remarks:**

- (i) Of the 227 complaints received in 2000:
- 34 cases (15%) were inactionable because the complainants failed to provide further information or statutory declaration, or the complaints were anonymous, & etc.
  - 77 cases (34%) were dismissed by the PIC Chairman and Deputy Chairman (*\*Please see table 2 for details*)
  - 67 cases (30%) were referred to the PIC meeting; and
  - 49 cases (21%) are under investigation, pending further information
- (ii) For cases referred to the PIC meeting, some of them will be carried forward to the PIC meeting to be held in 2001.
- (iii) The major categories of cases on disregard of professional responsibility to patient in 2000 include:
- (1) failure/unsatisfactory result of surgery (24%)
  - (2) failure to properly/timely diagnose illness or to give proper advice (38%)

**Breakdown on the complaints received in 2000 which were dismissed by the PIC Chairman and Deputy Chairman**

| <u>Reasons for dismissal</u>           | <u>No. of cases</u> |
|--|---------------------|
| – Doctors' attitude                    | 9                   |
| – Commercial dispute                   | 5                   |
| – Communication problem                | 6                   |
| – Complications of treatments          | 8                   |
| – Unsatisfactory results of treatments | 4                   |
| – Difference in medical opinion        | 4                   |
| – Misdiagnosis                         | 3                   |
| – No evidence                          | 7                   |
| – Groundless                           | 31                  |

|---|-------------|-------------|-------------|-------------|-------------|
| (1) Total cases considered by the PIC                               | 42          | 44          | 56          | 39          | 58          |
| (2) Total cases referred by the PIC to Council for inquiries        | 9           | 10          | 7           | 17          | 15          |
| (3) Total cases referred by the PIC to Health Committee for hearing | -           | -           | -           | 2           | -           |

## Remarks:

The major categories of cases considered by the PIC in 2000 include:

|   | <u>No. of cases</u> |
|---|---------------------|
| (a) Conviction in court                                     | 3                   |
| (b) disregard of professional responsibility to patients    |                     |
| • inappropriate prescription of drugs                       | 9                   |
| • failure to properly/timely diagnose illness               | 11                  |
| • failure to give proper advice/explanation                 | 7                   |
| • conducting unnecessary or inappropriate treatment/surgery | 3                   |
| • others  | 3                   |
| (c) Advertising/canvassing                                  | 9                   |
| (d) issuing untrue or misleading medical certificates       | 6                   |
| (e) depreciation of other medical practitioners             | 1                   |
| (f) improper labelling of drugs                             | 4                   |
| (g) miscellaneous   | 2                   |
|   | <hr/> 58            |

The major categories of cases referred by the PIC to the Council for inquiry in 2000 include:

|  | <u>No. of cases</u>  |
|--|--|
| (a) Conviction   | 3* <i>(these cases were of minor offences and the Council accepted the PIC's recommendation that no inquiry is to be held)</i> |
| (b) disregard of professional responsibility to patients |  |
| • inappropriate prescription of drugs                    | 3  |
| • failure to properly/timely diagnose illness            | 1  |
| • failure to give proper advice/explanation              | 1  |
| • others   | 1  |
| (c) Advertising/canvassing                               | 2  |
| (d) Issue of misleading or untrue medical certificate    | 4  |
|  | <hr/> 15 <i>(Of these 15 cases, 5 cases have been heard by the Council in 2000. 7 cases will be heard in 2001.)</i>            |

**The work of Preliminary Investigation Committee (PIC)  
in the first quarter of 2001**

**(I) Complaints received in 2001**

|  | <u>Jan-Mar<br/>2001</u> |
|--|-------------------------|
| Number of complaints/information received  | 59                      |
| Of these:  | _____                   |
| (i) no. of complaints that have been screened out because:   |                         |
| (a) frivolous/groundless ( <i>for specific reasons for dismissal, please see the attached check-list</i> ):                                | 16                      |
| (b) inactionable:  |                         |
| ■ anonymous  | 1                       |
| ■ no address or phone number provided  | 1                       |
| ■ complainants failed to provide further information   | 1                       |
| ■ complainants failed to submit statutory declaration  | 1                       |
| ■ complaints withdrawn   | -                       |
| <i>total no of cases dismissed by PIC Chairman/Deputy Chairman=</i>  | 20                      |
| (ii) no. of complaints under investigation by PIC Chairman/ Deputy Chairman (incl. those pending further information and investigation)    | 32                      |
| (iii) no. of complaints that the Deputy Chairman disagreed with the PIC Chairman's decision and referred the case to PIC meeting           | -                       |
| (iv) no. of complaints dismissed by the PIC Chairman but the Deputy Chairman caused further investigation and eventually agreed to dismiss | -                       |
| (v) no. of complaints that will be discussed by the PIC  | 7                       |
| (vi) no. of complaints that have been discussed by the PIC   | -                       |
| (vii) no. of complaints that have been dismissed by the PIC  | -                       |
| (viii) no. of complaints that have been referred to Inquiry/Health Committee hearing   | -                       |
| - no. of inquiry/Health Committee hearing scheduled  | -                       |
| - no. of inquiry/Health Committee hearing heard  | -                       |
| - no. of inquiries in which the doctor was found guilty  | -                       |
| - no. of complaints in which the doctor was found unfit to practise  | -                       |
| - no. of inquiries in which the doctor was found not guilty  | -                       |

**(II) Cases considered by the PIC in the first quarter of 2001**

PIC has held three meetings in the first quarter of 2001 to consider complaint cases. A total of 24 cases were discussed at the meetings with result appended below:

|   |          |
|---|----------|
| (a) referred for disciplinary inquiry                                     | 4 cases  |
| (b) referred to Council with recommendation that no inquiry is to be held | nil      |
| (c) Dismissed   | 16 cases |
| (d) pending further information/investigation                             | 4 cases  |

**(III) Check-list of complaints received in 2001**

An updated checklist of the complaints received in 2001 is attached for information.

**(IV) Participation of Lay Member in initial screening**

20 cases, which have been dismissed by PIC Chairman and Deputy Chairman in the first quarter of 2001, were submitted to the Lay Member for further screening. The Lay Member agreed that all these cases should be dismissed.

**Checklist of complaints received in 2001** (as at end March 2001)

(A) Cases dismissed by PIC Chairman and Deputy Chairman

| <b><u>date of receipt</u></b> | <b><u>File ref.</u></b>  | <b><u>nature</u></b>                             | <b><u>complainant/<br/>source of info</u></b> | <b><u>doctor<br/>involved</u></b> | <b><u>reason of dismissal</u></b>  |
|-------------------------------|--------------------------|--|---|-----------------------------------|--|
| 8-3-2001                      | MC 3/1442/4/E<br>(48/01) | Drug labeling                                    | Member of public                              | Private                           | Inactionable: complainant failed to submit statutory declaration   |
| 15-2-2001                     | MC 1/1838/4/E<br>(37/01) | Disregard of professional responsibility         | Patient                                       | Private                           | Surgical complication does not necessarily constitute professional misconduct  |
| 12-2-2001                     | MC 3/1032/4/E<br>(35/01) | Miscellaneous                                    | Patient's employer                            | Private                           | Miscommunication between doctor and complainant  |
| 12-2-2001                     | MC 1/1678/4/E<br>(33/01) | Disregard of professional responsibility         | Patient                                       | Private                           | Misdiagnosis does not necessarily amount to professional misconduct  |
| 2-2-2001                      | MC 1869/4/E<br>(30/01)   | Practice promotion                               | Member of public                              | Private                           | Inactionable: no address; complainant cannot be contacted for further information  |
| 2-2-2001                      | MC 1/1613/4/E<br>(28/01) | Disregard of professional responsibility         | Patient                                       | Private                           | Frivolous: bad attitude of doctor  |
| 2-2-2001                      | MC 1866/4/E<br>(26/01)   | Disregard of professional responsibility         | Patient                                       | Private                           | Difference of medical opinion between doctor and patient   |
| 2-2-2001                      | MC 1865/4/E<br>(25/01)   | Issue of misleading or false medical certificate | Patient's employer                            | Private                           | Groundless: the doctor made a clinical judgment to grant 4 days' sick leave to patient for his URTI; no evidence that the sick leave certificate was issued without bona-fide consultation |
| 18-1-2001                     | MC 1864/4/E<br>(23/01)   | Miscellaneous                                    | Patient's relative                            | Private                           | Frivolous: bad attitude of doctor  |
| 2-1-2001                      | MC 1850/4/E<br>(4/01)    | Miscellaneous                                    | Patient                                       | Private                           | Frivolous: Doctor's attitude   |
| 2-1-2001                      | MC 1/1177/4/E<br>(5/01)  | Issue of misleading or false medical certificate | Patient's employer                            | Private                           | Inactionable: complainant cannot be contacted  |
| 2-1-2001                      | MC 1851/4/E              | Disregard of professional                        | Patient                                       | Private                           | Groundless: patient had been prescribed the  |

| <u>date of receipt</u> | <u>File ref.</u>         | <u>nature</u>                                       | <u>complainant/<br/>source of info</u> | <u>doctor<br/>involved</u> | <u>reason of dismissal</u>   |
|------------------------|--------------------------|---|--|----------------------------|--|
|                        | (6/01)                   | responsibility                                      |  |                            | drug before and no drug allergy was observed at that time  |
| 8-1-2001               | MC 4/827/4/E<br>(12/01)  | Disregard of professional responsibility            | Patient's relative                     | Private                    | Groundless: standard regime of anti-depressant had been prescribed by the doctor   |
| 8-1-2001               | MC 1/1602/4/E<br>(14/01) | Miscellaneous                                       | Patient's relative                     | Private                    | Groundless: complaint against attitude of nursing assistant; doctor has already apologized to the patient  |
| 12-1-2001              | MC 1859/4/E<br>(16/01)   | Disregard of professional responsibility            | Patient                                | Private                    | Groundless: misdiagnosis does not necessarily constitute professional misconduct; the doctor in fact had referred the patient to HKU for further investigation   |
| 12-1-2001              | MC 1/1824/4/E<br>(17/01) | Disregard of professional responsibility            | Patient's relative                     | Private                    | Groundless: dosage of medicine prescribed might be high but not grossly excessive.   |
| 12-1-2001              | MC 1860/4/E<br>(18/01)   | Miscellaneous                                       | Patient                                | Private                    | Groundless: the doctor is justified in refusing to issue a receipt without actually receiving money from the patient.  |
| 12-1-2001              | MC 1861/4/E<br>(19/01)   | Miscellaneous                                       | Patient                                | Private                    | Groundless: display of signs of acceptance of credit card now allowable by MC  |
| 15-1-2001              | MC 1/196/4/E<br>(21/01)  | Misleading or unapproved description & announcement | Another doctor                         | Private                    | Groundless: Complaint about Chinese translation of MD quoted at the doctor's stationery. Council allows such translation as it is the doctor's primary registrable qualification leading to direct registration. |
| 2-2-2001               | MC 1868/4/E<br>(29/01)   | Practice promotion                                  | Anonymous                              | Private                    | Inactionable: complainant could not be contacted.  |
