

LegCo Panel on Planning, Lands and Works

Study on South East New Territories Development Strategy Review

Purpose

1. This paper is to inform the LegCo Panel on Planning, Lands and Works (the Panel) of the results of the Study on the South East New Territories Development Strategy Review (the Study).

Background

2. As part of the Study, 3 stages of public consultation were undertaken. The final stage, on the draft Recommended Development Strategy (RDS), was conducted between January and May 2001. We briefed the Panel on 5 February 2001, and undertook to inform the Panel on the results of the Study.

Stage 3 Public Consultation Report

3. A Public Consultation Report, consolidating the comments and our responses, is at Annex A.

Final Report - Executive Summary

4. We have produced the Final Report of the Study, which has taken into account all comments received in the consultation exercises. A copy of the Executive Summary is at Annex B.
