Dear Mrs Tong,

**Legislative Council Panel on Security**

Thank you for your letter of 7 November requesting an incident report on the death of an inmate of the Sha Tsui Detention Centre.

As I have explained to you, the death of the inmate is also the subject of a complaint made to the Correctional Services Department (CSD). A review of the case by CSD's Complaints Committee is scheduled for 8 December. We will finalise and issue the incident report as soon as the case has been concluded.

Yours sincerely,

( David Wong )  
for Secretary for Security
