Hon Mrs Miriam Lau Kin-ye, JP  
Chairman, Legco Transport Panel

Dear Mrs Lau,

**Proposed Route 7**

We understand that the Legislation Council Transport Panel is going to discuss the proposed Route 7 at its tomorrow's meeting.

The Administration indicates in its paper that a dual two-lane configuration would be able to meet the traffic need of the area. We are not convinced in the Administration's conclusion and would suggest that if a new Engineering Review and Preliminary Design Consultancy Study for Route 7 is to be undertaken, two options, namely dual two-lane and dual three-lane should be investigated.

Yours sincerely,

(Ir. Tony Shum)  
Chairman,  
The Association of Consulting Engineer of Hong Kong
