9 January 2001

The Hon. Henry Wu, BBS  
Rm 705, Wing On House  
71 Des Voeux Rd Central  
Hong Kong

Dear Henry,

**Rehabilitation Complexes at the Lai King Headland  
and the ex-Castle Peak Hospital Staff Quarters**

Further to the LegCo Welfare Panel on 8 January, I am writing to provide you with the total floor areas to be built in the two rehabilitation complexes. These are 14 788 m<sup>2</sup> in the Lai King project and 20 844 m<sup>2</sup> in the ex-Castle Peak Hospital Staff Quarters project, achieving a plot ratio of 4.77 and 4.97 respectively. The Government Property Administrator has confirmed in the Preliminary Project Feasibility Studies that the two projects have achieved optimal site utilisation.

(Mrs Carrie LAM)  
Director of Social Welfare
