Dear Mr. Chan,

Re: Sharing of Manifest Data between Hong Kong and Mainland China

We would like to express our sincere thank to you and your colleagues from Hong Kong Customs for arranging a constructive meeting yesterday, with the two electronic manifest service providers in Hong Kong and Guangdong.

We hope that both Tradelink and Nanfang can work together based on the consent arrived on yesterday's meeting, so that the Industry's concern on double entry of data can be eliminated.

Thank you for your attention.

Yours sincerely,
For and on behalf of
Guangdong and Hong Kong Feeder Association Ltd
