

**Bills Committee on
Import and Export (Electronic Transactions) Bill 2001**

**List of follow-up actions arising from discussion
at the meeting on 9 May 2002**

- (1) To advise the latest progress of negotiation between Tradelink and the industry on the levy for electronic submission of cargo manifests (EMAN).
- (2) To brief members on Tradelink's back-up procedures for system failure and similar requirements in the tender document for future service providers.
- (3) To re-consider allowing the industry to develop its own EMAN system if no additional service providers are available.
- (4) To make use of all available channels, including the impending visit of the Hong Kong Logistic Development Council, to discuss with the decision-making bodies in the Mainland about the interface between Hong Kong and the Pearl River Delta region in respect of electronic collection, submission and distribution of data related to cargo handling.
