2. The Bills Committee deliberated (index of proceedings attached at **Annex A**).

Admin 3. The Bills Committee requested the Administration to provide further information on the following to facilitate their consideration:

- (a) to provide a detailed breakdown of the work involved in the administration of the excavation permit system;
- (b) to provide information on whether an ordinary citizen could bring an action to compel the public officers concerned to perform the duties provided for in the new section 2A;
- (c) to provide information on past cases and the statutory reporting mechanism provided under the existing ordinances whereby the relevant Authority would report the matter to the Chief Secretary for Administration who should then ensure that the best practicable steps are taken to stop the contravention;
- (d) to provide information on the principles on which the Director of Highways requested the police to record or not to record a conviction, and the safeguards for the confidentiality of such information;
- (e) to consider whether it was necessary to include a new provision to reflect the Administration's intent that the Director of Highways would not request the police to record conviction of the offence(s) under the Bill;
- (f) to provide information on similar offences with a fine of \$200,000 or less including the nature and seriousness of such offences, and the basis for pitching the fine at such level for offences under section 10Q(1) of the Bill;
- (g) to provide information on the circumstances under which section 101E of the Criminal Procedure Ordinance (Cap. 221) would apply, particularly in cases whereby the offence was committed without the knowledge of the director concerned or because of the director's dereliction of duty; and
- (h) to provide information on whether it was a Government policy to recover costs involved in carrying out inspections and on the practices of
