I. Meeting with the Administration

The Bills Committee deliberated (index of proceedings attached at **Annex**).

2. The Bills Committee requested and the Administration agreed to make appropriate publicity measures (including advertisements in overseas Chinese newspapers) to notify overseas Hong Kong Special Administrative Region (HKSAR) permanent residents of the identity card replacement exercise and the requirement to apply for a new card within 30 days of their return to Hong Kong. In addition, the Bills Committee requested the Administration to provide a written response to the Panel on Security on -

- (a) the respective penalties for not producing identity cards in accordance with the requirements in the Ordinances or by-laws set out in the Annex to the Administration's paper entitled "Power to demand production of identity card"; and
- (b) whether there were other proof of identity, other than an identity card or the documents referred to in paragraph 5(a), (b) and (c) of the Administration's paper entitled "Possession of a valid identity card and entitlement to right", that could establish a person's permanent resident status.

3. The Administration undertook to amend the expression "某人" in clause 10 to "有關人士".

4. Mr James TO proposed that the Bills Committee should move Committee Stage amendments (CSAs) to delete the reference to "marital status" and "occupation" in the proposed new section 7(2A)(b)(i). As there were divided views among members, a vote was taken on whether the Bills Committee should move an amendment to delete the reference to "marital status" in new section 7(2A)(b)(i). Three members present voted in favour of the Bills Committee moving the amendment, while five members voted against. A vote was also taken on whether the Bills Committee should move an amendment to delete the reference to "occupation" in new section 7(2A)(b)(i). Four members voted in favour of the Bills Committee moving the amendment, while four members voted against. As the votes were equally divided, the Chairman casted his casting vote that the amendment would not be moved by the Bills Committee. Mr James TO indicated that he would move CSAs to delete the reference to "marital status" and "occupation" in the proposed new section 7(2A)(b)(i).

5. At the request of some members, the Administration agreed to amend the reference from "nationality" to "nationality which he claims" in the proposed new section 7(2A)(b)(i). Three members expressed support for the amendment while five members expressed reservations about the need for such an amendment.

6. The Administration undertook to convey to the Privacy Commissioner for Personal Data (Privacy Commissioner) members' concerns about the delegation of the Chief Secretary for Administration's power to permit disclosure of registration of persons (ROP) data under the proposed section 10 of the ROP Ordinance i.e. the existing regulation 24 of the ROP Regulations, to a Principal Assistant Secretary for Security and the destruction of ROP data disclosed under regulation 24 when no longer required, and members' request that the Privacy Commissioner should also examine

whether the protection of data privacy was fully complied with in the context of privacy compliance audit.

7. Mr James TO indicated that he would consider moving a CSA to amend regulation 4(1)(b)(xii) of the ROP Regulations.

II. Any other business

8. The Bills Committee agreed that a report would be made to the House Committee at its meeting on 7 March 2003. The Bills Committee noted that the Administration intended to give notice for resumption of Second Reading debate on the Bill at the Council meeting on 19 March 2003. The Chairman reminded members noted that the deadline for giving notice to move CSAs would be 10 March 2003.
