**I. Confirmation of minutes of meeting held on 29 May 2002**

The minutes of the meeting held on 29 May 2002 were confirmed.

**II. Meeting with the Administration**

2. The Bills Committee deliberated (index of proceedings attached at **Annex**).

*Request for written response*

3. The Administration was requested to provide a written response on the following -

- (a) the amount of financial assistance, if any, that a seriously injured employee who required long term care and attention by other persons would receive in addition to the relief payment under the Bill, the compensation under section 8(1) of the Employees' Compensation Ordinance, and the non-means tested monthly higher disability allowance of \$2,520; and
- (b) an assessment of the financial implications on the Fund of increasing the amount of monthly payment of relief payment from \$10,000 to \$30,000 for seriously injured employees who required long term care and attention by other persons.

*Drafting of the Bill*

4. In the light of members' views, the Administration agreed to -

- (a) consider amending the proposed section 25B(2) and 25(B)(3) to the effect that the Employees Compensation Assistance Fund Board (the Fund Board) would have discretion to relax the respective period required in the case of a person who satisfied the Fund Board that there were good reasons why he could not or failed to comply with these two provisions in

relation to the required period;

- (b) review the drafting of the proposed section 25B(4)(a) to improve its clarity; and
- (c) consider whether the word "are" currently after "in respect of the amount" in paragraph (b) under the proposed section 37(2) should be placed before the word "transferred" as appeared in the latter part of this provision.

5. Having regard to the view expressed by the Chairman, the Administration agreed to delete its proposed Committee Stage amendment (CSA) to add "as determined by a court of competent jurisdiction in Hong Kong" after the word "non-fatal" in the first sentence of paragraph (a) under "eligible person" in section 2(1). Likewise, the similar CSA proposed by the Administration for paragraph (b) under "eligible person" in the same section would also be deleted.

*Proposals put forward by Mr LEE Cheuk-yan*

6. As there were divided views among members on Mr LEE Cheuk-yan's proposal to increase the prescribed monthly amount of relief payment from \$10,000 to \$30,000 for seriously injured employees who required long term care and attention by other persons, a vote was taken on whether the proposed amendment should be moved by the Bills Committee. The result of the vote was that Mr LEE Cheuk-yan, Mr Andrew CHENG, Ms LI Fung-ying and Mr LEUNG Fu-wah voted in favour of the Bills Committee moving the amendment, Mr Kenneth TING voted against, and Mr TAM Yiu-chung abstained from voting. The Bills Committee decided by a majority vote that the proposed amendment should be moved by the Bills Committee.

7. In addition, Mr LEE Cheuk-yan proposed, on behalf of Mr LEUNG Yiu-chung, that dependant brothers and sisters under the age of 21 should be eligible for relief payment if the deceased employee did not leave any surviving spouse/cohabitee, child and parent. As there were also divided views among members on the proposal, a vote was taken on whether the proposed amendment should be moved by the Bills Committee. The result of the vote was that Mr LEE Cheuk-yan, Mr Andrew CHENG and Ms LI Fung-ying voted in favour of the Bills Committee moving the amendment, Mr Kenneth TING voted against, and Mr TAM Yiu-chung and Mr LEUNG Fu-wah abstained from voting. The Bills Committee decided by a majority vote that the proposed amendment should be moved by the Bills Committee.

8. Mr LEE Cheuk-yan indicated that in view of the complexity involved in dealing with the estate of the deceased, he would re-consider whether or not to pursue the proposal to make relief payment in relation to the damages awarded to the estate of a deceased employee.

9. Mr LEE Cheuk-yan also proposed that the level of surcharge imposed on uninsured employers be increased from three times to 10 times the levy payable on the

premium paid on the employees' compensation insurance policy taken out after the offence was detected. As the majority of members did not support the proposal, he said that he would re-consider whether or not to pursue the proposal.

### **III. Any other business**

#### *New proposal on relief payment and date of resumption of Second Reading debate on the Bill*

10. Members noted that there might be a new proposal by the Administration on the amount of monthly payment of relief payment to seriously injured employees after further consultation with employer representatives of the Labour Advisory Board. The Administration would provide an information paper on the new proposal, if any, at the beginning of the following week for circulation to members for consideration. In this connection, the Bills Committee agreed that, unless members considered that a further meeting was required, the Bills Committee would report its deliberations to the House Committee, incorporating members' views on the new proposal, if any, at its meeting on 14 June 2002, recommending the resumption of the Second Reading debate on the Bill at the Council meeting on 26 June 2002.

11. Members also noted that if the Second Reading debate on the Bill would be resumed at the Council meeting on 26 June 2002, the deadline for giving notice of amendment to the Bill was 17 June 2002.

12. There being no other business, the meeting ended at 1:05 pm.
