Dear Sir,

I would like to move a motion at the Bills Committee meeting to be held tomorrow, and the wording of the motion is as follows:

“That this Bills Committee expresses deep regret that the Executive has given notice to resume Second Reading debate on the United Nations (Anti-Terrorism Measures) Bill on 10 July 2002 before the scrutiny of the Bill has been completed, which is at variance with the established practice of the Legislative Council.”

You are kindly requested to include the above motion, together with the motion tabled by Hon LEE Cheuk-yan at the meeting on 25 June 2002, into the agenda of the meeting to be held tomorrow.

Cyd HO Sau-lan
