I. Confirmation of minutes
(LC Paper No. CB(2)1539/02-03)

The minutes of the meeting held on 11 March 2003 were confirmed.

II. Meeting with the Administration
(LC Paper Nos. CB(2)1413/02-03(01) to (04))

2. The Bills Committee noted the submissions from the Hong Kong Occupational Deafness Association and the Hong Kong College of Community Medicine.

3. The Bills Committee deliberated (Index of proceedings attached at **Annex**).

4. At the request of some members, the Administration agreed to provide details of the results of measurement conducted by the Labour Department on the daily

personal noise exposure of workers engaged in different work processes in a discotheque.

5. A majority of members, namely Ms LI Fung-ying, Ms Cyd HO, Mr LEE Cheuk-yan and Mr CHAN Kwok-keung, expressed support for Mr Andrew CHENG's proposal that the Bills Committee should move amendments to expand the scope of protection to cover all employees working in slaughterhouses, mahjong parlours and discotheques. Mr Kenneth TING, Mr Tommy CHEUNG, who was a non-Bills Committee Member, and the Administration opposed the proposal. They considered that only those in the four new noisy occupations who were exposed to a daily noise level at or above 90dB(A) should be covered as proposed in the Bill. Based on the majority view, Assistant Legal Adviser 5 (ALA5) would prepare the draft Committee Stage amendments (CSAs) to be moved by the Bills Committee.

6. The Bills Committee examined and accepted the CSAs proposed by the Administration as set out in LC Paper No. CB(2)1413/02-03(02)). The Administration indicated that it was prepared to narrow the scope of paragraph (zb) of Schedule 3 if members were concerned that the present version was not sufficiently clear.

7. The Chairman enquired whether there was a need to amend the scope of protection in respect of the existing 25 specified noisy occupations in Schedule 3 to ensure their consistency with the Bills Committee's proposal in respect of the four new noisy occupations. ALA5 advised that such amendments might not be necessary but she would further examine the issue and provide the Bills Committee with her views if such amendments were necessary.

8. The Bills Committee agreed that the draft CSAs to be moved by the Bills Committee as well as the additional information and CSAs to be provided by the Administration as mentioned in paragraphs 4 and 6 above would be circulated to members for their consideration and comments, if any. No further meeting was required unless requested by members.

III. Any other business

9. There being no other business, the meeting ended at 10:00 am.
