Dear Ms Chan,

Thank you for your letter dated 27 December 2002 to invite comment for the Hong Kong College of Community Medicine. In general, the College supports the Occupational Deafness (Compensation) (Amendment) Bill 2002. However, as we have not been given ample time to deliberate on this matter, we cannot make any suggested amendments yet, at this point in time. The matter will be discussed in our next council meeting, and we will submit suggested amendments by 18 February 2003.

I would also like to let you know that we would like to withdraw our previous suggestion that Prof Ignatius Yu will represent our College in the meeting held on 20 January at 8:30am. Our College will not send a representative to this meeting.

Thank you.

Yours sincerely,

Prof Edith Lau  
President  
College of Community Medicine
