Item No. 1 - FCR(2002-03)1

**RECOMMENDATIONS OF THE PUBLIC WORKS SUBCOMMITTEE
MADE ON 27 FEBRUARY 2002**

The Committee approved the proposal.

Item No. 2 -FCR(2002-03)2

**GENERAL REVENUE ACCOUNT
HEAD 49 - FOOD AND ENVIRONMENTAL HYGIENE
DEPARTMENT**

◆ Subhead 700 General other non-recurrent

New item “Ex-gratia payment to stallholders affected by the redevelopment of Central Market site”

2. Members noted that the present proposal had been discussed by the Panel on Food Safety and Environmental Hygiene on 25 February 2002.

3. Mr Fred LI expressed support for the present proposal which had been drawn up after considerable negotiation with all parties concerned. He sought the Administration's confirmation as to whether the currently proposed ex-gratia payment (EGP) would set a precedent when other markets owned by the Food and Environmental Hygiene Department (FEHD) had to be recovered for redevelopment.

4. In response, the Deputy Director of Food and Environmental Hygiene (DDFEH) pointed out that the case of the Central Market (CM) necessitated special arrangements because there were no reprovisioning arrangements for the affected stallholders to continue their business in other FEHD markets. DDFEH confirmed that the currently proposed package would not set a precedent as it was only specific to the case of the CM and each future case would have to be considered in its own light.

5. In reply to Ms Emily LAU's enquiry about the Administration's consultation with the Central and Western District Council (C&W DC), DDFEH clarified that when first consulted in January 2002, the Food and Environmental Hygiene and Works Committee of the C&W DC had requested for a higher level of EGP for affected stallholders. However, when the Administration held direct negotiations with the 101 eligible stallholders in February 2002, about 83% of them were agreeable to the proposed EGP equivalent to 24 months' rental. The remaining 17%, most of whom were pork stallholders, had asked for a higher level of EGP but said that they would go along with the majority view. DDFEH further confirmed that the Food and Environmental Hygiene and Works Committee of the C&W DC was aware of the decision of the stallholders and had indicated support for the present proposal.

6. The Committee approved the proposal.

Item No. 3 - FCR(2002-03) 3

**CAPITAL WORKS RESERVE FUND
HEAD 710 - COMPUTERISATION
Social Welfare Department**

◆ New Subhead "Implementation of Information Systems Strategy Phase II - Technical Infrastructure/Client Information System"

7. Members noted that the Panel on Welfare Services had been consulted on the present proposal on 4 February 2002.

8. Ms Emily LAU requested for further information on the benefits of the Social Welfare Department (SWD)'s Information Systems Strategy (ISS). In reply, the Director of Social Welfare (DSW) advised that implementation of Phase II of the ISS would bring about a series of service benefits as set out in

paragraph 9 of the paper, one notable example was a reduction by 60% of the amount of time SWD staff spent on checking client information. On cost savings, DSW confirmed that implementation of the present proposal would result in an annual realizable saving, being the full staff cost derived from the deletion of posts. She also recalled that savings resulting from the deletion of posts had been achieved following the implementation of Phase I of the ISS earlier on.

9. The Committee approved the proposal.
