Ms Pauline Ng
Clerk to Finance Committee
Legislative Council Secretariat
Legislative Council Building,
8 Jackson Road,
Central, Hong Kong.

Dear Ms Ng,

New Arrangements for Gazetting of the Appropriation Bill

I write to advise the new arrangements this year for the gazetting of the Appropriation Bill and the consequential changes relating to the Special Finance Committee meetings.

We used to gazette the Appropriation Bill on a Friday the week before the Financial Secretary announces his Budget. The Secretary for the Treasury used to brief the Finance Committee on that same Friday on the expenditure part of the Budget only. There have been comments that this practice is less than ideal because Members and the public would be considering the expenditure side for a few days without benefit of the other essential information that is only available later in the Budget. Therefore, we would like try a new arrangement for 2002-03 to see whether it would be an improvement.

The Appropriation Bill will be gazetted on the day the Financial Secretary announces his Budget, i.e. on Wednesday 6 March 2002. We shall distribute to Finance Committee Members copies of the Draft Estimates and other Budget related documents on the same day. We propose that the Financial Secretary and the Secretary for the Treasury then brief the Finance Committee on the Budget in the morning of Thursday 7 March 2002.

In order that Finance Committee Members have sufficient time for examining the Draft Estimates and raising questions as in the past, we propose to re-schedule the Special Finance Committee meetings to the three full days from Monday 25 March to Wednesday 27 March 2002.

We will be happy to discuss with you the details and necessary adjustments as a result of these new arrangements.

Yours truly,

(K K Lam)
for Secretary for the Treasury
