#(1) 黃成智議員 (口頭答覆)

關於向被性侵犯的兒童提供支援服務，政府可否告知本會：

- (一) 過去 10 年，社會福利署接獲的兒童被性侵犯個案數目；有否估計這數目佔實際個案數目的百分比，以及曾經被侵犯但未獲提供所需支援服務的受害者數目；若沒有這些數字，會否考慮收集及就此作出研究；
- (二) 會否考慮採取措施，改善現時有部分兒童被性侵犯後不知道本身已被侵犯、沒有將此事告訴他人，或接獲該等報告的人士未有相應向有關當局作出報告的情況，以便及早向受害者提供所需支援服務；及
- (三) 有否向在童年時曾被性侵犯而當時未有獲提供所需支援服務的人士提供特別輔導及支援；若有，會否推廣該等服務？

(1) Hon WONG Sing-chi (Oral Reply)

Regarding the provision of support services to children who have been sexually abused, will the Government inform this Council:

- (a) of the number of child sexual abuse cases received by the Social Welfare Department in the past 10 years; whether it has estimated the percentage of this number in the total number of abuse cases which had actually taken place, as well as the number of victims who had been sexually abused but were not provided with the necessary support services; if such figures are not available, whether it will consider collecting them and conducting studies on them;
- (b) whether, to enable the victims to receive the necessary support services at an early stage, it will consider adopting measures to ameliorate the present situation, in the light of those cases where some children have been sexually abused without knowing that they have been so abused or without making it known to others, and where those receiving the reports have not consequentially reported them to the relevant authorities; and
- (c) whether special counselling and support services are provided to those who had been sexually abused in their childhood but were not provided with the necessary support services at that time; if so, whether efforts will be made to promote such services?
