立法會會議席上  
鄧兆棠議員就“在人口激增地區增加區議會民選議席”  
提出的議案

議案措辭

“鑒於政府對第二屆區議會每區民選議席數目維持不變的建議，將令人口激增地區缺乏足夠數目的民選區議員為市民提供服務，本會促請政府修訂有關建議，在不減少各區議會現有議席數目的前提下，在人口較標準人口基數高出百分之二十五或以上的地方行政區，適當增加民選議席。”

**Motion on “Increasing the number of elected seats for District Councils  
for districts with sharp population increase”  
to be moved by Dr Hon TANG Siu-tong  
at the Legislative Council meeting  
on Wednesday, 9 October 2002**

**Wording of the Motion**

“That, as the Government’s proposal to maintain the number of elected seats of the second term District Councils for each district will result in a shortage of elected members serving the public in districts with sharp population increase, this Council urges the Government to revise its proposal by, without reducing the existing number of seats of various District Councils, appropriately increasing the number of elected seats in districts whose population sizes exceed the population quota by 25% or more.”
