LC Paper No. CB(1) 2490/01-02(02) -- Securities and Futures (Insurance) Rules
LC Paper No. CB(1) 2506/01-02(01) -- Securities and Futures (Fees) Rules

Members agreed that the Subcommittee would scrutinize the English version of the draft subsidiary legislation. The Legal Service Division (LSD) was requested to examine the Chinese version and follow up with the Law Draftsman on drafting and other technical matters. In the event that there were unresolved issues, LSD would raise them at meetings.

2. The Subcommittee deliberated (Index of proceedings attached at the **Annex**).

Admin 3. The Administration undertook to take follow-up actions as follows:

(I) Securities and Futures (Insurance) Rules

- (a) to reconsider the draft Rules with further consultation with the market on the need and practicability of setting up a compulsory insurance scheme for licensed corporations to be arranged by the Securities and Futures Commission (SFC); and
- (b) to consider specifying criteria to be considered for allocating the premium to be borne by licensed corporations if a compulsory insurance scheme was to be set up.

(II) Securities and Futures (Fees) Rules

- (a) to delete Schedules 4 and 5 from the draft Rules as SFC's power to waive licensing fees during the two-year transitional period was already provided under Part 5 of the draft Rules; and
- (b) SFC would issue guidelines explaining to the industry on compliance with the new licensing regime, such as the need for application of licences for different types of regulated activities.

000120 - 001605	Chairman Miss Margaret NG Administration Securities and Futures Commission (SFC)	<p>Securities and Futures (Insurance) Rules</p> <p>Enquiry on the details on the compulsory insurance scheme to be set up by SFC for licensed corporations</p> <p>The compulsory insurance scheme would cover licensed corporations which dealt in securities, futures contracts, or provided securities margin financing. The scheme would replace the existing Brokers' Fidelity Insurance ("BFI") Scheme arranged by the Stock Exchange of Hong Kong (SEHK) to provide indemnity protection to licensees for losses in relation to specified risks. The SFC would arrange for the scheme and a Standing Committee would be set up with representatives from the relevant sectors of the industry and the insurance consultant to work out the scheme details, e.g. allocation of premium. The SFC would invite tender for the proposed scheme.</p>	
001605 - 002121	Miss Margaret NG Administration SFC	<p>Concern on the acceptability of the compulsory insurance scheme by the industry and the lack of scheme details in the draft Rules</p> <p>Emphasis on the need for thorough consultation with the industry</p> <p>The SFC had consulted the market</p>
