Paper No. 30/02

**Subcommittee on Draft Subsidiary Legislation to be made under
the Securities and Futures Ordinance**

**Securities and Futures Ordinance
(Amendment of Schedule 8) Order 2002**

This paper sets out the proposals of the Securities and Futures Commission (SFC) to make certain decisions of the SFC or an investor compensation company performing SFC functions made under the subsidiary legislation of the Securities and Futures Ordinance (SFO) (Cap. 571) reviewable by the Securities and Futures Appeals Tribunal (SFAT) established under Part XI of the SFO.

Proposal

2. The SFC proposes to recommend the Chief Executive in Council to make the Securities and Futures (Amendment of Schedule 8) Order 2002 (the draft Order), now in draft at **Annex 1**, under section 234 of the SFO.

Power to make the Order

3. Under section 217 of the SFO, a person aggrieved by a “specified decision” may apply to the SFAT for a review of the decision. The SFAT is an independent full-time body chaired by a Judge, which may review, on application, the merits of the specified decision afresh. “Specified decisions” (as defined in section 217) are set out in Part 2 of Schedule 8 to the SFO, in a number of divisions. Division 1 sets out the list of “specified decisions” which the SFC may make under the primary legislation. Division 3 is intended to set out the list of specified decisions which the SFC, or a recognized investor compensation company performing an SFC function transferred to it, may make in respect of the new investor compensation arrangements established under Part XII of the SFO.

Time for specified decisions to take effect

4. Section 232(2) of the SFO prescribes the time at which specified decisions, except those set out in Division 5 of Part 3 of Schedule 8, are to take effect¹. Division 5 of Part 3 sets out the list of specified decisions which will take effect other than at the time specified in section 232(2)(a), (b) or (c).
5. Under section 234, the Chief Executive in Council may by Order amend Parts 2 and 3 of Schedule 8.
6. The Department of Justice has advised that the draft Order would be *intra vires* if made as drafted.

Major features of the draft Order

7. In line with the approach taken in the primary legislation, we consider that certain decisions made by the SFC under subsidiary legislation should be subject to the review of the SFAT upon application by the party affected. This also applies to certain decisions made by the SFC or a recognized investor compensation company performing a function transferred to it by the SFC under rules made under section 80 of the SFO. The list of specified decisions in the draft Order represents decisions that the SFC indicated, in consultation papers of individual subsidiary legislation to be made under the SFO, would be subject of review by the SFAT. It also includes decisions added in response to comments received during public consultation of relevant subsidiary legislation and subsequent review of the SFC.
8. Specifically, clause 2(a)(i) of the draft Order will add the following decisions of the SFC to Division 1 of Part 2 of Schedule 8 to the SFO so that they will be subject to review by the SFAT –

- (a) Decisions made under the draft Securities and Futures (Stock Market Listing) Rules²

Clause 6(2)

Objection to a listing of securities

¹ Section 232(2) of the SFO basically provides that a specified decision will take effect after (a) expiry of the appeal period specified in section 217(3) (i.e. 21 days); (b) at the time the subject being affected by the specified decision notified that he will not lodge an appeal; or (c) if an appeal is lodged, after the conclusion of relevant review proceedings.

² Please refer to Paper No. 29/02 issued on 13 September 2002.

- Clause 6(3)(b) Imposition of any condition when SFC does not object to a listing
- (b) Decisions made under the draft Securities and Futures (Disclosure of Interests – Securities Borrowing and Lending) Rules³
- Clause 8(3) Refusal to approve a corporation as an approved lending agent
- Clause 8(4) Imposition of any condition when giving an approval under clause 8(3)
- Clause 8(6) Withdrawal of an approval given to an approved lending agent
- (c) Decisions made under the draft Securities and Futures (Contracts Limits and Reportable Positions) Rules⁴
- Clause 4(4)(c) Refusal to give a notice to allow a person to hold or control futures contracts or options contracts in excess of the limits prescribed in the rules

9. Clause 2(a)(ii) of the draft Order will add the following decisions of a recognized investor compensation company performing a decision of the SFC to Division 3 of Part 2 of Schedule 8 to the SFO so that they will be subject to review by the SFAT -

³ Please refer to Paper No. 21/02 issued on 8 July 2002.

⁴ Please refer to Paper No. 26/02 issued on 7 September 2002.

Decisions made under the draft Securities and Futures (Investor Compensation – Claims) Rules⁵

Clause 4(4)	Refusal to determine that a claim which is not lodged within the time limit provided in clause 4(3) of the Rules is not barred
Clause 7(1)(a), (b) or (c)	Determination as to whether there has been a default, as to the date of default, or as to the amount of loss sustained
Clause 9(3)	Aggregation of separate claims or parts of those claims

10. In addition, clause 2(b) of the draft Order will amend Division 5 of Part 3 of Schedule 8 to the SFO to include decisions of the SFC made under clauses 6(2) and 6(3)(b) of the draft Securities and Futures (Stock Market Listing) Rules (see paragraph 8(a) above), so that they will take immediate effect according to clause 6(5) therein.

Public consultation

11. The SFC released a consultation document and an exposure draft of the Order on 5 August 2002 for comment by the public. No comments were received during the consultation. On further review, the SFC considers that a decision of the SFC under clause 4(4) of the draft Securities and Futures (Contract Limits and Reportable Positions) Rules for refusal to allow a person to hold a position in excess of the limits imposed by those Rules should also be made subject to review by the SFAT (see paragraph 8(c) above).

12. We attach the following documents for Members' reference -

(a) Consultation Document on the draft Order, at **Annex 2**, which sets out the underlying policy, together with the exposure draft of the Order. The draft Order as revised are at Annex 1 for Members' consideration; and

⁵ Please refer to Paper No. 7/02 issued on 31 May 2002.

- (b) Consultation Conclusions in respect of the consultation exercise, at **Annex 3**.

Way forward

13. Subject to Members' views, the draft Order at Annex 1 would be submitted to the Chief Executive in Council for approval. If approved, the Order will be published in the Gazette for tabling before the Legislative Council in the normal manner. The intention is that the Order shall come into operation on the commencement of the SFO.

Consultation

This consultation document invites public comments on the draft **Securities and Futures (Amendment of Schedule 8) Order** (“the draft Order”). The SFC intends to recommend to the Chief Executive in Council to make the draft Order under section 234 of the Securities and Futures Ordinance (5 of 2002) (“the Ordinance”) when it commences.

Introduction

1. Under Part XI of the Ordinance the existing part-time Securities and Futures Appeals Panel will be replaced by an independent full-time appeals body, chaired by a judge called the Securities and Futures Appeals Tribunal (“SFAT”).
2. The matters over which the SFAT will have jurisdiction (being decisions of the SFC, the HKMA and an investor compensation company (“ICC”)) are specified in Part 2 of Schedule 8 and are defined as “specified decisions”.
3. Under section 234 of the Ordinance the Chief Executive in Council has power to amend Part 2 of Schedule 8 to add or delete specified decisions. Persons affected by any specified decisions can apply to the SFAT for a review of the decision. The SFC intends to recommend to the Chief Executive in Council to add decisions under certain sections of the subsidiary legislation to be made under the Ordinance to the list of “specified decisions”. Further details of these decisions are set out in paragraphs 9 and 10 below.
4. Section 232(2) of the Ordinance prescribes the time when specified decisions, other than those set out in Division 5 of Part 3 of Schedule 8, are to take effect. Under section 234, the Chief Executive in Council has power to amend Part 3 of Schedule 8. The SFC intends to recommend to the Chief Executive in Council to add to Division 5 of Part 3 of Schedule 8 two decisions of the Commission under the proposed Securities and Futures (Stock Market Listing) Rules which will take effect earlier than the period specified in section 232(2)(a), (b) or (c). Further details are set out in paragraph 11 below.
5. Upon a review of the decision under appeal, the Tribunal may confirm, vary or set aside the decision or substitute any other decision which the Tribunal considers more appropriate or it may remit the matter to the SFC (or the HKMA or the ICC as the case may be) with directions to revisit the decision. Before making a decision, the SFAT must give the parties a reasonable opportunity of being heard and the civil standard of proof will apply in the determination of any questions or issues by the Tribunal.
6. An application for review of a specified decision must be made by the person against whom the decision is made within 21 days of notice of the decision. The SFAT has a power to extend the time for appeal if it is satisfied that there is good reason for granting an extension.

7. The SFAT has extensive powers to consider any material, require witnesses to attend and testify or produce evidence, administer oaths and affirmations, prohibit the disclosure of information about SFAT proceedings, to stay proceedings and make other ancillary orders. It is a criminal offence to disobey an SFAT order or to interfere with or disrupt SFAT proceedings. The SFAT has the same powers as the Court of First Instance to punish contempt of the Tribunal.

8. A party to a review has a right of appeal to the Court of Appeal ("CA") against a decision of the SFAT on a point of law. The CA may allow or dismiss the appeal or remit the matter to the SFAT with such directions as it considers appropriate. An appeal to the CA against an SFAT decision does not operate as a stay of execution of that decision unless the CA otherwise orders.

The draft Order

9. The draft Order would amend Division 1 of Part 2 of Schedule 8 to the Ordinance, by adding the following items such that the SFC decisions referred thereto would become appealable to the SFAT -

Item	Provision	Description of decision
73.	Section 6(2) of the Securities and Futures (Stock Market Listing) Rules	Objection to a listing of securities
74.	Section 6(3)(b) of the Securities and Futures (Stock Market Listing) Rules	Imposition of conditions to non-objection to a listing of securities
75.	Section 8(1) of the Securities and Futures (Disclosure of Interests - Securities Borrowing and Lending) Rules	Refusal to approve a corporation as an approved lending agent
76.	Section 8(4) of the Securities and Futures (Disclosure of Interests - Securities Borrowing and Lending) Rules	Imposition of conditions on an approval of a corporation as an approved lending agent
77.	Section 8(6) of the Securities and Futures (Disclosure of Interests - Securities Borrowing and Lending) Rules	Withdrawal of an approval granted to an approved lending agent

10. The draft Order would amend Division 3 of Part 2 of Schedule 8 to the Ordinance, by adding the following items such that the SFC or ICC decisions referred thereto would become appealable to the SFAT -

Item	Provision	Description of decision
1.	Section 4(4) of the Securities and Futures (Investor Compensation - Claims) Rules	Determination that a claim not lodged within the time provided in section 4(3) is barred.
2.	Section 7(1) of the Securities and Futures (Investor Compensation - Claims) Rules	Determination of a default, the date of the default or the amount of loss sustained.
3.	Section 9(3) of the Securities and Futures (Investor Compensation - Claims) Rules	Aggregation of separate claims or parts of those claims

11. The draft Order would amend Division 5 of Part 3 of Schedule 8 to the Ordinance, by adding the following items such that the SFC decisions referred thereto

may take immediate effect notwithstanding that a right to appeal to the SFAT is provided to the person affected by the decision -

Item	Description of specified decision	Provision
16.	A specified decision set out in item 73 of Division 1 of Part 2	Section 6(5) of the Securities and Futures (Stock Market Listing) Rules
17.	A specified decision set out in item 74 of Division 1 of Part 2	Section 6(5) of the Securities and Futures (Stock Market Listing) Rules

New Policy Initiatives

12. The various consultation papers issued in respect of the new investor compensation arrangements contemplated that a right of appeal to the SFAT would be provided to claimants who were dissatisfied with the quantum of an award of compensation. The decisions in respect of which an application might be made have been enlarged beyond simply the quantum of an award to cover related matters such as refusal to extend the time for lodging a claim with the SFC or the ICC. The consultation paper on the Securities and Futures (Stock Market Listing) Rules also contemplated that an application for a review by the SFAT could be made against decisions related to SFC's objection to listing or conditions imposed upon a non-objection. Item 75 of Division 1 of Part 2 of Schedule 8 to the Ordinance is added in response to a submission received in response to the consultation on the draft Securities and Futures (Disclosure of Interests - Securities Borrowing and Lending) Rules ("the SBL Rules"). Similarly, items 76 and 77 which also relate to the approval of approved lending agents under the SBL Rules are also added for consistency.

INTRODUCTION

1. On 5th August 2002 the Securities and Futures Commission (“SFC”) issued a consultation paper to solicit public comments on the draft **Securities and Futures Ordinance (Amendment of Schedule 8) Order** (“the draft Order”). The SFC intends to recommend to the Chief Executive in Council to make the draft Order under section 234 of the Securities and Futures Ordinance (Cap. 571) (“the Ordinance”) when it commences.
2. Under Part XI of the Ordinance the existing part-time Securities and Futures Appeals Panel will be replaced by an independent full-time appeals body, chaired by a judge called the Securities and Futures Appeals Tribunal (“SFAT”). The matters over which the SFAT will have jurisdiction (being decisions of the SFC, the HKMA and an investor compensation company) are specified in Part 2 of Schedule 8 and are defined as "specified decisions".
3. Under section 234 of the Ordinance the Chief Executive in Council has power to amend Part 2 of Schedule 8 to add or delete specified decisions. Persons affected by any specified decisions can apply to the SFAT for a review of the decision. The SFC intends to recommend to the Chief Executive in Council to add decisions under certain sections of the subsidiary legislation to be made under the Ordinance to the list of “specified decisions”. Further details of these decisions are set out in paragraphs 9 and 10 of the consultation paper.
4. Section 232(2) of the Ordinance prescribes the time when specified decisions, other than those set out in Division 5 of Part 3 of Schedule 8, are to take effect. Under section 234, the Chief Executive in Council has power to amend Part 3 of Schedule 8. The SFC intends to recommend to the Chief Executive in Council to add to Division 5 of Part 3 of Schedule 8 two decisions of the Commission under the proposed Securities and Futures (Stock Market Listing) Rules which will take effect earlier than the period specified in section 232(2)(a), (b) or (c). Further details are set out in paragraph 11 of the consultation paper.
5. The consultation exercise was extended by one week and ended on 26 August 2002.

CONSULTATION EXERCISE

6. A press release regarding the consultation exercise was issued on 5th August 2002. The consultation paper and the draft Order were posted on the website of the SFC and distributed to all registrants through FinNet.
7. No submissions were received.

CONSULTATION CONCLUSIONS

8. After the completion of the consultation exercise, it is considered that no amendment to the substance of the draft Order will be necessary. However, certain drafting changes have been made so that the provisions of the draft Order better reflect the underlying provisions. An additional item has also been added to the draft Order as a specified decision. A refusal by the SFC to give a notice in writing under section 4(4)

of the Securities and Futures (Contract Limits and Reportable positions) Rules (i.e. the refusal by the SFC to state that it is satisfied that it is appropriate for a person to hold a position in excess of the limits imposed by those Rules) can now also be reviewed by the SFAT.
