GOVERNING LISTING MATTERS

Securities and Futures Commission

and

The Stock Exchange of Hong Kong Limited

28 January 2003

MEMORANDUM OF UNDERSTANDING GOVERNING LISTING MATTERS

Between: Securities and Futures Commission (SFC) of
12th Floor, Edinburgh Tower, The Landmark, Central, Hong Kong;

And: The Stock Exchange of Hong Kong Limited (SEHK) of
1st Floor, One and Two Exchange Square, Central, Hong Kong.

Background

1. The Parties

- 1.1 The SFC is the statutory body established under the Securities and Futures Commission Ordinance (Cap. 24) (SFC Ordinance) and will be governed by the Securities and Futures Ordinance (Cap. 571) (SFO) when the SFO comes into effect on 1 April 2003.
- 1.2 SEHK is a company duly incorporated under the Companies Ordinance (Cap. 32) and is the only recognized exchange company under the Stock Exchanges Unification Ordinance (Cap. 361) (and will be the Stock Exchange Company under the SFO). It operates the Main Board stock market and the Growth Enterprise Market (GEM) in Hong Kong. SEHK is a wholly owned subsidiary of Hong Kong Exchanges and Clearing Limited (HKEx).
- 1.3 HKEx is a company duly incorporated under the Companies Ordinance (Cap. 32) and is a recognized exchange controller under the Exchanges and Clearing Houses (Merger) Ordinance (Cap. 555) (and will be under the SFO). It is also a listed company on the Main Board of SEHK.

2. Reasons for This Memorandum of Understanding

- 2.1 SEHK is the frontline regulator of all listing-related matters and of issuers listed on its markets. It administers the Listing Rules (which term includes the Listing Agreement). Furthermore, SEHK has the legal functions under the Companies Ordinance, transferred from the SFC by statutory order as referred to in paragraph 2.6 below, of authorizing the prospectuses of companies that are or are to be listed on its market.
- 2.2 The SFC has a statutory duty to supervise and monitor SEHK in the latter's performance of its listing-related functions and responsibilities. This function of the SFC is set out generally in Section 4(1)(d) of the SFC Ordinance (to be Section 5(1)(b) of the SFO).

- 2.3 For the benefit of mutual cooperation, public understanding, and the interest of the investing public, and to reduce duplication to the extent reasonably practicable, the parties have agreed to enter into this Memorandum of Understanding (MOU) to set out clearly their respective roles and responsibilities in relation to listing matters.
- 2.4 The SFC and SEHK entered into their first Memorandum of Understanding Governing Listing Matters on 25 November 1991, under which SEHK became solely responsible for the day-to-day administration of listing-related matters with respect to the stock market in Hong Kong.
- 2.5 On 31 December 1991, certain provisions of the Securities (Stock Exchange Listing) Rules, pursuant to which the SFC had up to that time performed some listing functions, were repealed to enable SEHK to become solely responsible for the day-to-day administration of all listing-related matters.
- 2.6 On 1 February 1993, the then Governor in Council made the Securities and Futures Commission (Transfer of Functions) Order transferring to SEHK the SFC's functions, under the Companies Ordinance and the SFC Ordinance, of vetting prospectuses in relation to listings. The Order remains in effect as of the date of this MOU and has been in substance re-made by the Chief Executive of the Hong Kong Special Administrative Region in Council under the SFO as the Securities and Futures (Transfer of Functions - Stock Exchange Company) Order.
- 2.7 On 6 March 2000, SEHK became a wholly owned subsidiary of HKEx. The SFC and SEHK entered into an Amended and Restated Memorandum of Understanding Governing Listing Matters to enable SEHK to continue to be the frontline regulator responsible for the supervision and regulation of listed companies, their directors and controlling shareholders, and market users generally in respect of all listing-related matters.
- 2.8 The SFO was enacted on 13 March 2002 and will come into effect on 1 April 2003. The Securities and Futures (Stock Market Listing) Rules (the "Rules") under the SFO will enhance the effective regulation of corporate information disclosure by requiring statutory filing of certain documents. The SFC will be able to exercise statutory enforcement powers where it has reason to believe that disclosure documents as filed contain information that is false or misleading in a material particular.
- 2.9 The disclosure documents to be statutorily filed with the SFC under the Rules are the same as those filed with the SEHK under the Listing Rules and the Companies Ordinance. The Rules will not impose any additional substantive requirements on listing applicants, listed companies, or other market users.
- 2.10 Furthermore, in order to avoid any additional administrative burden and cost, on the market, the Rules will specifically allow a person to file the relevant disclosure documents only with SEHK, provided that the person authorizes SEHK to make a statutory filing with the SFC on its behalf. The Rules will not impose any additional fees on listing applicants, listed companies, or other

market users. The parties have entered into arrangements for SEHK to help defray the SFC's costs in administering the Rules, and a copy of the Deed of Agreement between the SFC and SEHK is set out in Appendix I to this MOU.

3. Status of This Memorandum of Understanding

3.1 The parties acknowledge and agree that:

- (a) they have entered into this MOU in good faith and for the purpose of facilitating a cooperative working relationship;
- (b) provisions of this MOU should receive such fair, large, and liberal construction and interpretation as will best ensure the attainment of the objects of this MOU according to its true intent, meaning, and spirit;
- (c) this MOU is not legally binding;
- (d) this MOU shall not give rise to any rights, direct or indirect, on the part of third parties; in particular, no third party shall have any legitimate expectation or be entitled to require the SFC or SEHK to comply with provisions in this MOU; and
- (e) nothing in this MOU shall affect the rights of the SFC to exercise any of its powers or perform any of its functions under the SFO or other relevant legislation.

3.2 The parties acknowledge and agree that they intend this MOU to apply to both Main Board and GEM matters and, accordingly, all provisions of this MOU referring to Main Board matters shall, unless the context otherwise requires, be deemed also to apply to the corresponding GEM matters, applicable with any appropriate modifications.

3.3 The parties further acknowledge and agree that if the SFC determines that a material failure or refusal on the part of SEHK to comply fully with the provisions of, or to perform the obligations under, this MOU has occurred, the SFC may take any action it considers necessary or desirable. In particular it may:

- (a) requires that SEHK remedies or reverses its failure or refusal within such period and on such terms and conditions as the SFC thinks appropriate;
- (b) terminate this MOU;
- (c) exercise its powers under section 14 of the Securities Ordinance (Cap. 333) (or section 397 of the SFO) and make rules under which the SFC will play a role in the day-to-day regulation of listing-related matters;

- (d) exercise its powers under sections 50 and 51 of the SFC Ordinance (or sections 92 and 93 of the SFO) and issue a restriction notice or suspension order;
- (e) exercise its powers under section 47 of the SFC Ordinance (or section 25 of the SFO) and request the Chief Executive of the Hong Kong Special Administrative Region in Council order that the SFC resume all or any of the functions that have been transferred to SEHK;
- (f) resume any functions or responsibilities of SEHK as provided for by this MOU; and
- (g) recommend to the Financial Secretary the enactment of legislation in relation to any listing-related matters or any matters to be administered by the SFC.

The SFC agrees that its powers under this paragraph 3.3 are not delegable and shall be exercised only by a meeting of its members. However, an Executive Director of the SFC may in the first instance decide to refer the matter for a meeting. The Executive Director shall thereupon give SEHK sufficient written notice of his intention to do so and the reasons. SEHK may then make representations in writing to the SFC and may attend the meeting of the SFC to make any oral representations. SEHK shall submit any written representations it wishes to make within 7 days or, in case of urgent need, before any reasonable deadline the Executive Director may set.

- 3.4 The issue of a restriction notice or suspension order by the SFC, as referred to in paragraph 3.3(d) above, is subject to the SFC's prior consultation with the Financial Secretary as well as SEHK's right of appeal to the Chief Executive in Council under Sections 50 and 51 of the SFC Ordinance (and Sections 92 and 93 of the SFO).
- 3.5 For the purpose of the SEHK's statutory immunity provided for by Section 22 of the SFO and for the purpose of the HKEx's statutory immunity provided for by Section 64 of the SFO, the SFC acknowledges that everything done or omitted to be done in good faith pursuant to the provisions of this MOU by SEHK or any person acting on its behalf (including any member of the Board of Directors of SEHK or an member of any committee established by SEHK) shall constitute acts or omissions in the discharge or purported discharge of the duties of SEHK as referred to in Section 21 of the SFO and the duties of HKEx as referred to in Section 63 of the SFO.

- (b) maintain the public database of listed company information, currently open to access via the Internet, containing, so far as is practicable having used all reasonable endeavours, an up-to-date record of all information required to be filed and published under the Listing Rules since 1 April 1999 that SEHK receives regarding each listed company, its management, and substantial shareholders, and make modifications or enhancements to it from time to time as feasible and appropriate;

- 4.7 The SFC acknowledges and agrees that it shall consult SEHK regarding any codes or guidelines it proposes to publish in so far as the codes or guidelines apply to:
- (a) SEHK in SEHK's performance of listing-related functions; or
 - (b) listed issuers by reason of their securities being listed on SEHK's markets.
- 4.8 The parties further acknowledge and agree that they shall make all reasonable efforts to cooperate on matters within their respective functions, including the regulation, under the rules, laws and other relevant provisions that the parties respectively administer, of intermediaries providing services in listing-related matters.

5. High-Level Liaison

5.1 The parties have established a “High-Level Group” that shall meet from time to time to review systemic and policy issues concerning listing-related matters. The membership of the Group is set out in Appendix II. All members are at liberty to propose topics for discussion.

6. Rules and Policy Formulation

6.1 *Rule Changes.* Section 35 of the Stock Exchanges Unification Ordinance (and Section 24 of the SFO) provides that no rules of SEHK and no amendments to the rules of SEHK (including matters referred to in paragraphs 6.3 and 6.5 below) shall have effect unless approved by the SFC.

6.2 The Listing Division, guided by the Listing Committee and the High-Level Group, will from time to time review, and where appropriate, propose amendments to, the Listing Rules. The Listing Division may at any time seek, and SFC staff will in response provide, policy advice and comments and an indication of SFC staff’s support on any proposals for potential amendments. It may also seek guidance on relevant government policy through the SFC. The Listing Division may alter its proposals in accordance with SFC staff’s advice or comments, proceed with its proposals unaltered, report on such advice or comments to the Listing Committee, or otherwise decide on how to deal with such advice and comments in its discretion.

6.3 The Listing Division will put all proposals for amendments to the Listing Rules, consultation papers, recommended consultation conclusions and recommended amendments to the Listing Committee for approval. The Board of SEHK will endorse any final proposals for amendments as decided by the Listing Committee and submit them to the SFC for approval. SFC staff will make their own recommendations to the SFC as regards the approval of such final proposals.

6.4 SEHK has adopted certain general principles with regard to consultation exercises designed to solicit input at appropriate stages of the process and to communicate SEHK’s view on the subject matter in an open and transparent manner.

6.5 *Waivers etc.* SEHK shall forward to the SFC any policy decision it intends to implement that will have mandatory effect or be of general application, including practice notes, guidance notes, and waivers from requirements. SEHK shall not publish, rely upon, or impose on any person any such note, waiver, or decision until the SFC has approved it in writing.

6.6 *Novel Issues, Public Policy Implications etc.* SEHK shall inform the SFC, as soon as is reasonably practicable, of any matter of a novel or potentially controversial or sensitive nature, or which appear to involve public policy implications, whether arising from a listing application, a transaction by a listed issuer, or otherwise.

- 6.7 The SFC shall respond as soon as is reasonably practicable on any matter where SEHK consults it or seeks its advice, comments, guidance, or approval.

Co-ordination Between the SFC and SEHK on Transactions and Cases

7. Listing Applications

7.1 The statutory filing requirements for listing applications (including supporting documents) under Rule 5 of the Rules are an important element in the effective regulation of corporate information disclosure in Hong Kong. As detailed in paragraph 2.10 above, the Rules provide for SEHK to accept statutory filings on behalf of the SFC. The paragraphs below set out the arrangements for the administration of the Rules so as to most effectively ensure that they do not give rise to additional burden or cost to those who comply with the relevant rules, laws, and regulations or to an unreasonable burden on SEHK.

7.2 SEHK acknowledges and agrees that it shall:

- (a) use all reasonable endeavours to obtain the necessary written authorization from listing applicants (including all cases where an application for listing has been made but approval for listing and listing have not occurred before the Rules come into effect on 1 April 2003) for its accepting all statutory filings on behalf of the SFC, and put in place the appropriate amendments to the Listing Rules as soon as possible to make this a requirement on applicants;
- (b) upon obtaining such authorization, accept statutory filings on behalf of the SFC as contemplated in Rule 5(2) of the Rules;
- (c) take reasonable steps to keep and maintain the statutory filings it accepts on behalf of the SFC, and to retain the relevant filings for a period of 6 years so far as necessary for the proper regulation of listing-related matters;
- (d) require applicants to submit, together with the initial advance booking form, an advanced proof of the prospectus; and
- (e) where the draft prospectus submitted with an advance booking form is not in a sufficiently completed state, not commence vetting and return the application and the initial listing fee to the applicant.

7.3 *Passing of Materials.* The parties agree that SEHK shall pass to the SFC:

- (a) a full copy set of all materials relating to each listing application once they have been accepted for vetting, including the advance booking form and an advance draft of the prospectus. Except as otherwise provided, SEHK shall not pass subsequent draft of such materials to the SFC;

- (b) a full copy set of the materials relating to the application that the SEHK staff put to the Listing Committee for consideration or decision (i.e., under current practice, the Listing Division's Listing Committee Report and an advance proof of the prospectus); and
 - (c) copies of any other materials relating to listing applications as the SFC may request in writing.
- 7.4 The parties agree to review from time to time the procedures in paragraph 7.3 and make amendments to improve efficiency as feasible and appropriate.
- 7.5 The parties further agree that SEHK shall pass to the SFC the materials as set out above:
- (a) in the case of materials under paragraph 7.3(a), as soon as reasonably practicable after SEHK accepts the materials;
 - (b) in the case of materials under paragraph 7.3(b), at the same time as the SEHK staff circulate the materials to Listing Committee members; and
 - (c) in the case of materials under paragraph 7.3(c), as soon as reasonably practicable upon the later of SEHK receiving the relevant materials or the SFC's request.
- 7.6 The parties may, subject to their respective statutory and other obligations, at any time discuss formally or informally any issue or exchange any material concerning any listing application.
- 7.7 The parties agree to study the feasibility and desirability of developing a document control and filing system providing for a shared electronic database that would allow the SFC access to copies of materials relating to any listing application in satisfaction of SEHK's obligations under paragraph 7.3 above.
- 7.8 SEHK to remain responsible for administration of listing process. The parties acknowledge and agree that:
- (a) to avoid administrative duplication and facilitate communications with the market, and in accord with SEHK's role as the frontline regulator of all listing-related matters, SEHK shall remain the primary point of contact for listing applicants and their advisers;
 - (b) SEHK shall continue to be responsible for conducting all vetting of the materials referred to in paragraph 7.3 above and for administering the listing process under the Listing Rules;
 - (c) the SFC does not intend to comment upon matters of, and shall not be responsible for ensuring, compliance of a listing application with the specific requirements of the Listing Rules;

- (d) save in exceptional circumstances, if the SFC decides to exercise any of its power and functions under the Rules, it shall do so within SEHK's timetable for processing the listing application so as to avoid any unreasonable delay;
 - (e) in particular, if the SFC has any comments on a listing application, it shall, save in exceptional circumstances, pass them in writing to SEHK as soon as is reasonably practicable for SEHK to raise with the applicant and its advisers. SEHK and the SFC shall decide on how to raise the comments and address any responses thereto;
 - (f) the SFC shall after receiving the materials referred to in paragraph 7.3(b) above provide SEHK with as clear an indication as is reasonably practicable of its position in relation to the exercise of its powers and functions prior to the Listing Committee meeting at which the materials will be considered;
 - (g) the SFC shall take into account the Listing Committee's decision on approving or disapproving a listing application;
 - (h) save in exceptional circumstances, the SFC shall confirm to SEHK whether or not the SFC will object to a listing application before or at the time SEHK makes its final decision on the application (i.e., when SEHK approves the applicant's prospectus or listing document in final form so that the applicant may begin bulk-printing the document);
 - (i) unless the SFC has indicated its objection in accordance with this paragraph 7.8, SEHK will proceed to complete the listing process and list the securities for trading in accordance with its normal procedures.
- 7.9 The parties acknowledge that, as set out in the following paragraphs, the listing of company shares arising from certain corporate activities and the listing of certain securities and products should be afforded different treatment than that set out in paragraphs 7.3 to 7.8 above.
- 7.10 *Capitalization Issues, Scrip Dividends, Pre-emptive Offers, Substitutions, and Employee Share Options.* Rule 4 of the Rules provides that the statutory filing requirements for listing applications do not apply to the listing of securities arising from certain specified corporate activities. For ease of reference, these exemptions are set out in Appendix III to this MOU.
- 7.11 *Top-up Placements, Share Transactions, Schemes of Arrangement etc.* The parties acknowledge that the listing of securities arising from certain transactions is subject to detailed Listing Rules concerning conduct rather than disclosure. Materials for the related listing applications are, nevertheless, subject to the statutory filing requirements under the Rules. The parties acknowledge that the SFC shall follow the assessment and recommendation of SEHK in confirming its non-objection to the listing of securities in the categories as set out in Appendix IV, provided that the listing is not part of an initial public offering by the issuer. Save in exceptional circumstances, the

SFC shall confirm to SEHK that the SFC will not object to such a listing application before or at the time SEHK makes its final decision on the application. Unless the SFC has indicated its objection, SEHK will proceed to complete the listing process and list the securities for trading in accordance with its normal procedures.

- 7.12 *Debt and Derivative Products.* The parties acknowledge that, for the listing of certain categories of securities, standard disclosure conventions and practice apply. Materials for the related listing applications are, nevertheless, subject to the statutory filing requirements under the Rules. The parties acknowledge that the SFC shall follow the assessment and recommendation of SEHK in confirming its non-objection to the listing of securities in the categories as set out in Appendix V, provided that the listing is not part of any initial public offering by the issuer. Save in exceptional circumstances, the SFC shall confirm to SEHK that the SFC will not object to such a listing application before or at the time SEHK makes its final decision on the application. Unless the SFC has indicated its objection, SEHK will proceed to complete the listing process and list the securities for trading in accordance with its normal procedures.
- 7.13 *Collective Investment Schemes.* The parties agree that the listing of Collective Investment Schemes, as defined in the SFO, shall follow the arrangements set out in Appendix VI.

8. Disclosure by Listed Issuers

- 8.1 The statutory filing requirements under Rule 7 of the Rules relating to public announcements and circulars to shareholders by listed issuers are an important element in the effective regulation of corporate information disclosure in Hong Kong. As detailed in paragraph 2.10 above, the Rules provide for SEHK to accept the statutory filings on behalf of the SFC in order not to impose any additional administrative burden or cost on the market.
- 8.2 Furthermore, only documents made or issued to the public are required to be statutorily filed with the SFC under the Rules.
- 8.3 SEHK shall remain solely responsible for any vetting of all draft documents to be made or issued under the Listing Rules prior to publication.
- 8.4 SEHK acknowledges and agrees that it shall:
- (a) use all reasonable endeavours to obtain the necessary written authorization from listed issuers for its accepting all statutory filings on behalf of the SFC, and put in place the appropriate amendments to the Listing Rules as soon as possible to make this a requirement on issuers;
 - (b) upon obtaining such authorization, accept statutory filings on behalf of the SFC as contemplated in Rule 7(3) of the Rules; and

- (c) take reasonable steps to keep and maintain the statutory filings it accepts on behalf of the SFC, and to retain the relevant filings for a period of 6 years so far as necessary for the proper regulation of listing-related matters.

8.5 The parties agree to study the feasibility and desirability of developing a document control and filing system providing for a shared electronic database that would allow the SFC access to copies of materials relating to any listed issuer in satisfaction of SEHK's obligations under paragraph 8.4(c) above.

8.6 *Takeovers-Related Matters and Share Repurchases.* The parties acknowledge and agree that their respective roles in the administration of takeovers-related matters and share repurchases (other than on-market share repurchases) shall be governed by the procedures as outlined in Appendix VII. SEHK agrees that it shall put in place the appropriate clarification in the Listing Rules as soon as practicable to reflect these procedures.

9 Handling of Complaints and Cases

9.1 The parties agree to adopt the procedures set out in the paragraphs below with a view to minimize overlap in the handling of complaints and cases involving alleged or suspected misconduct, and to facilitate mutual cooperation in the interest of the investing public.

9.2 The parties acknowledge and agree that:

- (a) to avoid administrative duplication and facilitate communications with the public, SEHK, as the frontline regulator of listing-related matters and listed issuers and the administrator of the Listing Rules, shall have primary responsibility for handling any complaint or case of alleged or suspected misconduct that involve issues under or in respect of the Listing Rules;
- (b) SEHK shall deal with any complaint or case of alleged or suspected misconduct that involve issues under or in respect of the Listing Rules as it considers appropriate;
- (c) the SFC shall inform SEHK of any investigation it begins for suspected provision of false or misleading information as referred to in paragraph 2.8 above or for any other suspected misconduct by a listed issuer;
- (d) in the event that SFC informs SEHK of such an investigation and to the extent the matter involves issues under or in respect of the Listing Rules, SEHK may, as it considers appropriate, deal with the matter or suspend its work, wholly or partly, pending the outcome of the SFC investigation; and

- (e) the SFC and SEHK shall use their best endeavours to inform each other of, and to liaise in relation to, any complaint received or any alleged or suspected misconduct that relate to the other's regulatory functions.

SFC Oversight of SEHK's Listing Function

10. Reports, Liaison Meetings, Audits, and Referrals

10.1 *Reports.* The parties agree that SEHK shall supply the SFC with:

- (a) on or before the 15th of each month, an "Activity Report" (in a format as agreed to from time to time) and containing such information as would enable the SFC to understand the activities of SEHK in relation to its responsibilities in all listing-related matters for the preceding month;
- (b) annexed to the Activity Report, the following copy materials relating to the preceding month:
 - (i) agendas (without attachments) and minutes of meetings of the Listing Committee and the Listing Appeals Committee;
 - (ii) any written reasons for decisions made under the Listing Rules by the Listing Division, the Listing Committee, and the Listing Appeals Committee; and
- (c) also on or before the 15th of each month, a "Case Report" (in a format as agreed to from time to time) for the preceding month containing a summary of progress in SEHK's handling of any complaint or case of alleged or suspected misconduct, whether the complaint or case is in the inquiry stage or subject of potential disciplinary action;
- (d) as soon as possible and in any event within 14 days after the SFC gives written notice, any other information, documents, or reports in the SEHK's possession that the SFC may reasonably require for the performance of its functions.

10.2 The parties agree to study the feasibility and desirability of developing a document control and filing system providing for a shared electronic database in satisfaction of SEHK's obligations under paragraphs 10.1(a) and (b) above.

10.3 *Liaison Meetings.* The parties agree to hold monthly "Listing Matters Liaison Meetings" to discuss:

- (a) matters arising from the Activity Report;
- (b) matters arising from the Case Report;

- (c) any matters or issues relating to SEHK's regulation of listed companies or SFC's oversight of SEHK in listing-related matters; and

Proper minutes shall be kept of these meetings.

- 10.4 *Audits.* The parties agree that SFC shall from time to time conduct audits or reviews of the performance of SEHK in its regulation of listing-related matters. SEHK shall cooperate with the SFC to the fullest extent in all such audits or reviews. SEHK shall provide the SFC personnel involved reasonable access to its premises, personnel, files, papers, correspondences, minutes, and any other documentation in its possession or in its power to obtain, and to make copies of such materials available to the SFC personnel involved. The SFC shall provide SEHK 14 days' written notice of the commencement of an audit or review, and 24 hours notice of any interview with a member of the SEHK staff involved in listing-related matters. The SFC shall also take all reasonable steps in the course of the audit or review to avoid any disruption to SEHK's work of performing its listing-related functions.
- 10.5 The parties agree to apply their best endeavours to achieve a cycle under this MOU whereby audits or reviews will take place at 18 months intervals.
- 10.6 *Referrals.* The Listing Committee and the Listing Appeals Committee shall, if so requested by the SFC, consider or review any matter, including a decision by the respective committee itself. The SFC acknowledges that in considering or reviewing a matter, the committee shall have due regard to the rights and interests of all third parties who would be directly affected by the further consideration or review of the matter.
- 10.7 The parties further agree that the SFC, in making any such request, shall do so in writing, giving reasons for the request and signed by the Executive Director of the Corporate Finance Division after consultation and agreement with the SFC Chairman.
11. Miscellaneous
- 11.1 For the benefit of listing applicants, listed issuers, and their advisers, the SFC and SEHK have developed and agreed upon certain standard forms as set out in Appendix VIII.
- 11.2 The parties agree to keep the operation of this MOU under review and shall consult from time to time with a view to improving its effect, making any appropriate modifications, and resolving any matters.

- 11.3 The parties further agree that, subject to paragraph 3.3 above, this MOU shall remain in full force and effect unless and until the parties agree in writing to terminate the whole or any part of it. The parties further agree that the appendices to the MOU may be revised by an exchange of letters between the Chairman of the SFC and the Chairman of SEHK without amending, restating, or re-signing this MOU.
- 11.4 Relevant previous agreements between the parties, namely the Amended and Restated Memorandum of Understanding Governing Listing Matters dated 6 March 2000, its Amended and Restated Addendum also dated 6 March 2000, and the two First Supplements dated 21 August 2000, shall have no further effect.
- 11.5 In respect of any matters already being dealt with by the parties at the date of this MOU and not to be completed until after the date of this MOU, the parties shall have the discretion to agree on whether the matters should be completed in accordance with the relevant previous agreements or this MOU.
