Dear Ms CHOY,

**Re: Legco Panel on Environmental Affairs and
Legco Panel on Health Services
Joint Meeting on 23 May 2002**

On behalf of the Hong Kong Dental Association, I would like to inform you that for the time being, our Association agreed to use “incineration” for the treatment of clinical waste until the development of a new and better treatment technology.

Thank you for your attention.

Yours sincerely,

Dr John Y K LING
President
HKDA
