Clerk to the LegCo Panel on Education  
Council Business Division 2  
Legislative Council Secretariat  
3<sup>rd</sup> floor, Citibank Tower

Dear Miss Tai,

**LegCo Panel on Education**

As discussed in a previous Panel meeting on 15 April 2002, I have now received information from the City University of Hong Kong and would request you to relay the information to the honorable members.

In endorsing unanimously the President's decision to accept the report of the Appeal Committee established to consider the appeal cases, the Council of City University of Hong Kong has decided to set up an independent committee to review the issues surrounding the recent events involving the School of Law. The committee should comprise five members, with two external members from outside the university, one external member from the Council and two staff representatives who are conversant with the operation of the University. The Chairman of the independent committee should be one of the external members and a reputable legal professional. The committee so set up will be entirely independent and answerable to the Council directly.

Yours sincerely,

( P T Cheung )  
Secretary-General  
University Grants Committee
