

Motion to be moved by Hon Albert HO Chun-yan

This Panel urges the Housing Authority to refer to the following suggestion so as to reduce the negative effect of the lowering of the income and asset limits for public housing applicants which would result in the disqualification of households who are already on the Waiting List.

“That this Panel requests that any decision to lower the income and asset limits should only apply to applications submitted after the promulgation of the new policy. For applications submitted before the promulgation, they should be allowed to remain in the Waiting List as long as they meet the criteria at the time of submission.”
