

Follow-up to LegCo Panel on Manpower Meeting on 16 May 2002

**Employment contracts between
Government service contractors and employees**

Purpose

This paper provides information on whether all employment contracts between Government contractors and their employees are continuous contracts.

Information requested

2. Based on returns from relevant departments, since the introduction of Financial Circular No. 3/2001 in May 2001, Government service contractors have signed 12 039 employment contracts with their employees. 11 247 (93%) of these contracts are continuous contracts as defined under the Employment Ordinance.
