**Motion on “The whole community battling against adversity”
to be moved by Hon LAU Kong-wah
at the Legislative Council meeting
on Wednesday, 30 April 2003**

Wording of the Motion

“That this Council expresses gratitude to the medical and health care personnel in Hong Kong and all organizations taking part in the battle against atypical pneumonia for their tireless efforts and whole-hearted contribution, and calls on the whole community to carry on with the concerted and positive spirit in its battle against atypical pneumonia, in order to cope with the current acute situation; this Council also urges the Government to take the lead in offering assistance to industries and trades hard hit by the outbreak of atypical pneumonia and the employees thus affected, and to vigorously promote health and hygiene activities with a view to enhancing the physical and mental health of residents.”
