Panel on Administration of  
Justice and Legal Services  
(Attn Miss Percy Ma)

Dear Chairperson

Re: Meeting on 27 January 2003 at 1630 hours

Your letter of 18 December 2002 is referred.

Since the meeting with Hon Margaret Ng, the Bailiff Grade Union also raised the problems encountered by the Bailiffs to our management section on different occasions as well as through various channels. It is heartening to receive active and positive responses from our management section.

The Bailiff Grade Union believes that together with our management section we can ultimately solve the problems. In this respect, we do not prepare to submit anything further to the Panel on Administration of Justice and Legal Services ("the Panel"). Nor we prepare to sit in the Panel on the 27<sup>th</sup> January 2003. Nevertheless several Bailiff Grade members will sit in the public gallery and they will not prepare to make any response at the meeting.

Notwithstanding, the Bailiff Grade Union would like to take this opportunity to extend our gratitude to Hon Margaret Ng and the committees of the Panel for their solicitude.

Yours faithfully,

(K.M. CHENG)

Chairman

Bailiff Grade Union
