Dear Dr. CHAN,

Code of Practice

I refer to your letter dated 13 December 2002 on the above subject addressed to the Chairman of the Chiropractors Council who has asked me to reply to you as follows.

5 representatives of your Association have met with representatives of the Chiropractors Council on 6 December 2002. As briefed by the Council Chairman at the meeting, the purpose of the gathering was to collect views from some members of the profession and the views collected would be considered by the Council. The Council will, from time to time, consider whether there is need to have amendment to the code by taking into account views of members of the profession and the change in circumstances. Your Association's concern will be considered by the Council at its next meeting scheduled for early January 2003. The Council will inform your Association its decision in due course.

In case of query, you may contact Ms Christa CHENG, Assistant Secretary of the Chiropractors Council on 2527 8277 or the undersigned on 2527 8220.

Yours faithfully,

(Miss Winnie Chong)
Secretary, Chiropractors Council
