Dear Dr LIAO,

**LegCo Panel on Planning, Lands and Works
Meeting on 8 November 2002**

Agenda Item V

Briefing by the Secretary for the Environment, Transport and Works

Thank you for providing a discussion paper for Agenda Item V of the Panel meeting on 8 November 2002.

Dr Hon TANG Siu-tong, Chairman of the Panel, has noted the discussion paper. He is concerned that the following information requested by members of the Panel, as set out in my previous letter of 11 October 2002, is not covered by the paper:

- (a) List of Category B items; and
- (b) List of previously approved public works items the implementation of which would be deferred and the reasons for the deferral.

As directed by the Chairman, I write to request the Administration to provide the information as soon as possible. I should be grateful if you would let me have the relevant paper (in both Chinese and English) **by 6 November 2002** for timely circulation to members before the meeting. Please forward the soft copy of the paper to Miss May LEUNG at mleung@legco.gov.hk.

Please note that unless you raise objection, the discussion paper for the above meeting will be made available to the media and public and placed in the Library of the Legislative Council. The paper may also be made available on the Web Site of

the Council on the Internet.

Yours sincerely,

(Miss Salumi CHAN)
Clerk to Panel
