

LC Paper No. CB(2)718/02-03(10)

Dear Sir or Madam,

I am an overseas Chinese writing in to express my deep concern and objection to Article 23 legislation in Hong Kong. This will damage the democracy and freedom of Hong Kong and it concerns all Chinese people worldwide and many other people and organizations.

Would you please help stop it?

Your consideration and voice of justice will be greatly appreciated.

Thanks and regards,

Ming
