Subject: Objection to Article 23 Legislation

2002/12/21 08:29 PM

Dear Sir/Madam,

Hong Kong is the pride of Chinese people. Over the years Hong Kong people enjoy the democracy and freedom. There is no reason to pass a legislation like Article 23.

For the future of Hong Kong and Hong Kong people, I am strongly against article 23.

Please help stop it!

Yours sincerely
Jen Ong
