Dear Michael,

**Panel on Health Services  
Regulation of medical devices**

In response to your letter of 5 March 2004, we strongly support the proposal on the Regulation of Medical Devices. The proposal should be implemented without delay to protect health and safety of patients.

Due to other commitments, I will not be able to attend special meeting scheduled for Monday, 22 March 2004. If I can be of further assistance, please let me know.

Yours sincerely,

John Wong  
Professor of Surgery
