

## **PANEL ON SECURITY AND PANEL ON WELFARE SERVICES**

### **Allocation of resources of all integrated family service centres and family service centres**

#### **Purpose**

This paper provides the breakdown of allocation of resources of all integrated family service centres (IFSCs) / family service centres (FSCs) in the territory.

#### **Background**

2. At the joint meeting of the Panel on Security and Panel on Welfare Services held on 30 April 2004, Members asked for the breakdown of allocation of resources of all integrated family service centres/family service centres in the territory.

#### **Breakdown of Allocation of Resources**

3. The Social Welfare Department (SWD) will re-engineer all existing traditional FSCs / Counselling Units into IFSCs by phases in 2004-05. Through pooling of the existing resources of family services centres / counselling units, family support and resource centres, family support networking teams, family life education units etc, it is planned to set up 61 IFSCs (40 operated by SWD and 21 by non-governmental organizations (NGOs)) covering the whole territory. The distribution of IFSCs by district is attached at **Appendix**.

4. As recommended by the Consultant Team of the University of Hong Kong, each IFSC will have a minimum of 12 social workers apart from a supervisor. The exact number of manpower resources to be accorded to each district / centre will vary, having regard to the population to be served and district needs. SWD is now actively working out the

related arrangements (e.g. demarcation of service boundaries, deployment of manpower, etc.) within the department and with family service operators of NGOs.

### **Advice Sought**

5. Members are invited to note paragraphs 3-4 above.

Social Welfare Department  
May 2004

## Appendix
