**I. Confirmation of minutes of meeting**  
[LC Paper No. CB(2)1143/05-06]

The minutes of meeting on 6 February 2006 were confirmed.

**II. Meeting with the Administration**

2. The Bills Committee deliberated (index of proceedings attached at the **Annex**).

Administration's response to outstanding issues  
[LC Paper No. CB(2)1144/05-06(01)]

3. The Bills Committee noted the Administration's paper providing information on measures taken by the Lands Department to prevent mosquito breeding on fenced government land [LC Paper No. CB(2)1144/05-06(01)].

Draft Committee Stage amendments proposed by the Administration  
[LC Paper No. CB(2)1144/05-06(02)]

4. The Bills Committee examined the draft Committee Stage amendments (CSAs) proposed by the Administration. The Administration explained that the purpose of the proposed CSAs was to maintain the current arrangement to hold only the appointed contractor responsible for any mosquito breeding problem in the building site, as the appointed contractor had ultimate responsibility for the management of the building site. The proposed amendments to clauses 2(a), 2(d) and 2(e) in the Bill

were to improve the clarity of the clauses concerned in order to reflect the policy intent.

5. Members did not raise further comments or queries on the Bill or the draft CSAs.

**III. Any other business**

Clerk 6. The Chairman concluded that the Bills Committee had completed the scrutiny of the bill, and a report would be provided to the House Committee.

7. There being no other business, the meeting ended at 9:14 am.
