Re: Waste Disposal (Amendment) Bill 2005

Dear Mrs. Chow

Further to your fax dated 11 July 05 and our phone conversation today regarding the captioned, we would like to submit our summarized views/concern about the Waste Disposal Ordinance to Clinical Waste as follows for your reference:

1. The implementation of the licence to control the Clinical Waste Collector.
2. The implementation of the Waste Control Scheme and monitoring the Clinical Waste Collector.
3. The implementation of charges for Clinical Waste Disposal at landfill.
4. The implementation of mandatory requirement for the Clinical Waste producer to hire Clinical Waste Collector.

Thank you for your kind attention.

Best regards,

K.L. Siu
