

**Bills Committee on Waste Disposal (Amendment) Bill 2005
(as at 19 December 2005)**

Checklist of outstanding issues		
I. Committee stage amendments (CSAs) to be proposed by the Administration		
(1)	<u>Clause 2(g)</u> - to split paragraph (a) into two paragraphs, so as to bring out better the two separate scenarios in paragraph (a)	
(2)	<u>Schedule 8</u> - to make clear in Group 3 of clinical waste that extracted teeth should not be classified as clinical waste	
(3)	<u>Schedule 8</u> - to replace “veterinary sources” in Group 3 of clinical waste with “veterinary clinics or practices”	
(4)	<u>Schedule 9</u> - to include member countries of the Organisation for Economic Co-operation and Development and European Union	
II. Follow-up actions required of the Administration	Timing	
(1)	To consult the Kwai Tsing District Council (K&T DC) on the proposal that a committee could be set up under K&T DC to monitor the modification works and operation of CWTC and report the outcome of consultation to the Bills Committee	By end 2005
(2)	To advise the Bills Committee the clinical waste collection arrangement for outlying islands	Before passage of the Bill
(3)	To specify in the Code of Practice the type of information required to be produced by waste producers under section 12(1) of the draft Waste Disposal (Clinical Waste) (General) Regulation (Draft Regulation) and the duration for keeping such information	To be advised
(4)	To include complementary provisions to section 9(3) of the Draft Regulation to reflect the arrangement in proposed section 11(2) of the Bill	To be advised
(5)	To provide the revised Draft Regulation for scrutiny of the Bills Committee	To be advised
