Head : 62 Housing Department      Subhead :

Programme : Squatter Clearance and Squatter Control

Controlling Officer : Permanent Secretary for Housing, Planning and Lands (Housing)

Director of Bureau : Secretary for Housing, Planning and Lands

Question : To provide details on the planned transfer of the work of squatter clearance and control in the New Territories presently undertaken by Housing Department (HD) to the Lands Department, especially the implications thereof on contract staff.

Asked by : Hon. CHAN Yuen-han

Reply : To further enhance the efficiency of land administration, the Housing Department and the Lands Department have been actively discussing the timing and arrangements for the second phase transfer of squatter control duties in the New Territories. We are working out the details. It is envisaged that the implementation arrangements will be worked out in 2005-06.

Under Head 62, there are only eight contract Motor Drivers deployed on squatter control and clearance duties in the Housing Department. We intend to transfer them to the Lands Department.

Head : 62 Housing Department      Subhead :

Programme : Squatter Clearance and Squatter Control

Controlling Officer : Permanent Secretary for Housing, Planning and Lands (Housing)

Director of Bureau : Secretary for Housing, Planning and Lands

Question : To advise how many of the 659 HD posts to be deleted by March 2007 overlap with the 398 surplus posts under Head 62 referred to in paragraph (b) of the Administration's reply to question 0558 (HPLB(H)007).

Asked by : Hon. LEONG Kah-kit, Alan

Reply : The reference to the 659 posts to be deleted by Housing Department by March 2007, as stated in SHPL's speech at the Special FC meeting on 11 April, covers all Housing Department staff, including those funded by the Government for squatter control duties (and charged to Head 62 of the Government's General Revenue Account) as well as those funded by the Housing Authority.

40 of these 659 posts are surplus posts in the squatter control programme area funded under Head 62. Of these, 35 will be deleted in 2005-06. The remaining five posts, which are among the 398 surplus posts under Head 62, will be deleted by March 2007.
