議員將採用這種語言提出質詢

Member will ask the question in this language

#(2) 李柱銘議員 (口頭答覆)

關於保護本港天然河流及溪澗，政府可否告知本會：

- (一) 保育本港天然河流和溪澗的現行政策，以及分項列出有關的保育法例、負責執行的政府部門，以及它們採取的執行措施；
- (二) 有沒有調查全港天然河流和溪澗，以建立紀錄它們的位置、生態環境及流量等情況的資料庫；若有，現有資料所反映的有關情況是甚麼；及
- (三) 鑒於本港天然河流不斷出現受污染、破壞或渠道化，以致生態環境遭嚴重破壞的情況，當局會不會考慮制訂全面的保護天然河流法例，以遏止上述情況？

(2) Hon Martin LEE (Oral Reply)

Regarding the protection of natural rivers and streams in Hong Kong, will the Government inform this Council:

- (a) of the existing policies on the conservation of natural rivers and streams in Hong Kong, as well as a breakdown of the laws concerned; the government departments responsible for enforcing the relevant laws; and the enforcement measures taken by them;
- (b) whether it has conducted surveys on the natural rivers and streams in Hong Kong so as to establish a databank on their locations, ecosystems and water flows; if so, of the situation as reflected by the present data; and
- (c) as the natural rivers in Hong Kong have been polluted, damaged or channelized continuously, resulting in serious disruption of their ecosystems, whether the authorities will consider enacting comprehensive legislation on the protection of natural rivers so as to curb such situation?
